To Progress

This dedication is not to the past, but to the future; more specifically, the future of the University of Toledo. There are many steps down the road of progress and our school has been moving down this road with one foot planted firmly in front of the other.

The first great step the University of Toledo took was for the improvement of the uses of our scholarship program. The expansion of our classes to include evening lectures proved to be very satisfactory to the residents of Toledo, as well as to the students at the University.

And now one more step is being added to the footprints of progress. This refers to the new library which will offer volumes of knowledge, soon to be available to the students. It will give them a larger and therefore more private place in which to gather the information they seek. A new library will give our staff more material with which to spice their lectures for our courses. The library staff will have more of a chance to complete their already efficient system for the huge business of operating a library.

Stepping means moving, and this will be the keynote of the new dormitories. Soon the boys will be moving bag and baggage to a new atmosphere and more spacious living. This will mean more room at our University for new students who are waiting to take advantage of our curriculum.

The University of Toledo has always been a campus of beauty. The classrooms are now being decorated in a brilliant color that can be a light for even better scholarship from the students. To mention just one example of the improvement program at the University, we look at the progress the Home Economics Department has made. This division of our school has tripled in size, new equipment has been added, and it has been completely remodeled and redecorated. This department has been acclaimed by the state as one of the most outstanding Home Economics Departments in this part of the country.

The tower over our University is and always will be one of the beauty spots of the city of Toledo. And now we are adding to our campus with more constructions and projects to be proud of. As you walk toward our school, hold your head up high, for you are entering an institution of higher learning, of higher beauty, and a school that is expanding its tentacles to include all of the residents of Toledo.

Dedication

President Asa S. Knowles

A president's first year at a university is a real challenge. First of all it means getting acquainted with a new student body, a new faculty, a new institution and a new community. And of course the students, faculty and community have a similar problem in getting acquainted with a new president.

Asa S. Knowles came to the University of Toledo February 1, 1951 and was inaugurated as the ninth president on May ninth. Since this time the University has made tremendous strides forward. By next fall our new dormitories will be ready and in addition to providing increased facilities for the out-of-town students . . . which will give the campus a more cosmopolitan atmosphere . . . a new dining hall will be available for use by all students. Our new library is also going up . . . evidence that we are a growing institution with real faith in future progress and expansion.

President Knowles was born in North East Harbor, Maine. Most of his educational career has been devoted to the field of business administration. At Cornell University, where he was vice-president, he was in charge of University development.

In 1946, he was named president of the Associated Colleges of upper New York. Here he organized three temporary colleges to provide educational opportunities for returning World War II veterans.

Mr. Knowles was Dean of Business Administration and Director of the General College Extension of Rhode Island State College. Preceding this, he was head of the Department of Industrial Engineering and later Dean of Business Administration at Northeastern University at Boston.

He received his A.B. degree from Bowdoin College and did graduate work at Harvard Business School. He received his master's degree from Boston University.

President Knowles is co-author with Robert D. Thomson of three business text-books. They are entitled "Industrial Management", "Management of Manpower", and "Production Control".

Under the capable leadership of President Knowles as administrator, the University will continue to make progress toward the goal of all of us . . . a better University of Toledo.

M. KATHRYN SCHWAB
Dean of Women

M. Kathryn Schwab, Dean of Women, has endeared herself to the hearts of all who know her. She is one of the busiest and most popular women on campus and is adviser to Peppers, women's honorary, Panhellenic Council and the Red Cross. Dean Schwab is also a member of the Y.W.C.A. Advisory Board. She has charge of the social calendar, so any group planning a party should clear it through her office.

Dean Schwab welcomes and advises freshman women, helping them plan their schedules and adjust to college life. As a friend and counsellor to all students through their four years at the University, her kindness and understanding are known to all. We deeply appreciate the time and effort which she has expended in guiding all students.

DONALD S. PARKS
Dean of Students

As Dean of Students, Mr. Parks' responsibilities include those which were once listed as "Personnel Office". His office centralizes and coordinates the personnel activities of the University, assisting all students from the time of admission to the time when they graduate and are looking for a job.

Dean Parks also serves in the capacity of adviser to Interfraternity Council. In all positions, he has shown his good natured ability, his willingness to help students at all times, and his ever ready wit. Through his work, Dean Parks manages to keep in contact with students and their affairs. This combination of super-efficiency and warm friendliness is a rare one, but the University has found it in Dean Parks.

GLENN E. MOWERS
Director of Student Activities

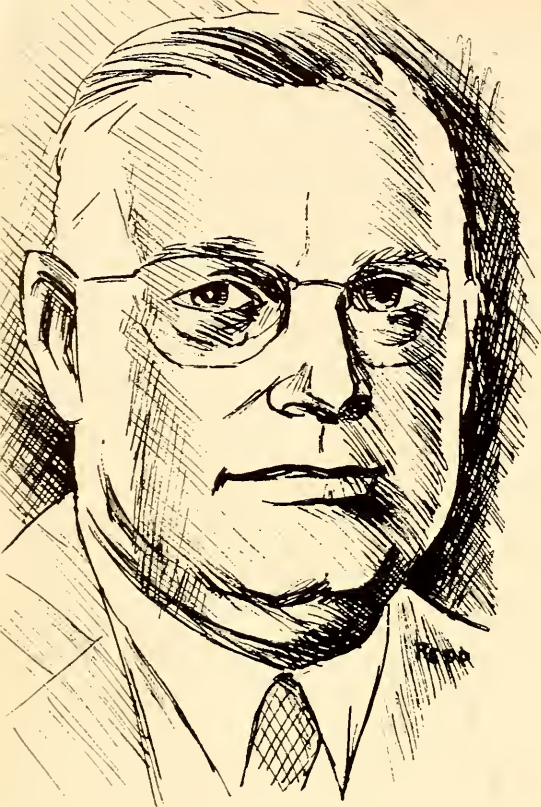

The Student Activities Office, which guides and supervises all campus organizations except fraternities and sororities, is capably directed by Mr. Glenn Mowers. He advises these organizations with their budgets and his office handles all purchase orders. Financial statements are issued monthly to all groups having accounts.

As the adviser to Student Council, Mr. Mowers has numerous duties. He attempts to bring to the attention of the Council the problems of the students on campus. He also serves as adviser on election matters and is a member of the Elections Board.

As secretary to the Student Activities Committee, he is a representative of the faculty in student affairs. With the committee, he recognizes and approves all groups on campus and establishes faculty viewpoint and opinion.

Mr. Mowers is known and well liked by all students on campus who are active in extracurricular activities. However, he is always a ready listener to the problems of any student.

The College of Arts and Sciences

This college has as a goal to help its students attain a foundation and background of knowledge and interest in the chief fields of human achievement and thought, so as to make for better living in their professional lives, their leisure time, and in community responsibilities.

Under the guidance of Dr. Andrew J. Townsend, the College of Arts and Sciences provides a general program for the first two years, with the last two years to be used for specialized work. It includes departments of art, history, biology, home economics, journalism, mathematics, music, philosophy, physics, political science, psychology, and sociology. Facilities are also provided for pre-law, pre-dental, and pre-medical students and a five-year program of nursing education is given in affiliation with Toledo Hospital.

Dean Townsend joined the University of Toledo faculty in 1930 as a professor in history and two years later was named dean of the college. He received his M.A. degree from Western Reserve University and his Ph.D. from the University of Chicago. With his aid, the College of Arts and Sciences is helping students in orienting to University life, in selecting their college programs, and in choosing their vocations.

The College of Business Administration

The College of Business Administration aims to prepare its students not only with a skill in their specialized field but also with the opportunity to go out in the business world with a broad, liberal background and an appreciation of the social-economic world in which they live. Students enrolled in this college have the advantage of a business curriculum and also of courses in the arts, sciences, education, engineering and law.

The college consists of nine departments: accounting, commerce, economics, finance, journalism, management, marketing, secretarial training and statistics. Majors are, however, planned according to vocational fields. Business majors have their choice of sixteen specific programs.

The college, under Dr. Clair K. Searles, has been emphasizing the use of the city of Toledo as a business laboratory and has within the last few years added courses in industrial relations and industrial management to the curriculum. Dean Searles, also a professor of commerce and economics, received his B.A., M.A., and Ph.D. from the University of Michigan.

The College of Education

This college, keeping in close contact with Toledo's secondary and elementary schools, attempts to raise the professional standards of teaching by selecting those people who are best fitted for the profession, by providing adequate training for those who are making teaching their career and by offering courses for those teachers who desire in-service training.

The College of Education offers courses in cooperation with the Toledo Museum of Art which provides classes in drawing, designing, painting, and art appreciation. The physical education department offers courses to both men and women leading to state certificates in physical education, theory and practice coaching. Recently the Ohio Department of Education approved the public school music major because of the rapid growth in the University's music department.

Dean of the college is David W. Henry who received a diploma from the State Normal College in Hyannis, Mass., a B.A. degree from the State Normal College of Emporia, Kansas and an M.A. degree from Columbia University. The college maintains a teacher placement bureau which has enjoyed outstanding success in placing graduates in the Toledo area and throughout the country.

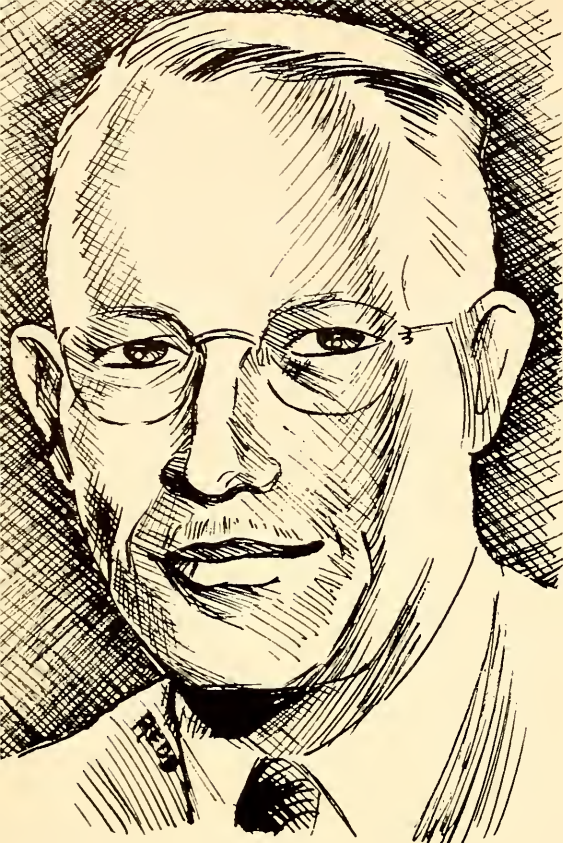

The College of Engineering

The programs offered by the College of Engineering are planned to prepare students to fit into present day industrial and community life, and to lay a foundation for graduate work in specialized fields. Approximately two-thirds of the work is required from general scientific and humanistic-social courses. The remainder of the work is selected by the student in his specific field of interest. Among these fields are: aeronautical, chemical, civil, electrical, industrial and mechanical engineering; glass technology and engineering physics. Bachelor of Science degrees are awarded in chemical, civil, electrical and mechanical engineering and engineering physics.

Dr. John B. Brandeberry, dean of the college, received a B.S. degree from Mount Union College, the M.A. degree from Ohio State University and the Ph.D. from the University of Michigan.

Courses in engineering were among the first established at the University. Until 1923 the courses offered were mainly those which now would be considered those of the first two years of engineering. In 1910 the College of Industrial Science was established. This was the forerunner of the present College of Engineering, established in 1930.

The College of Law

The College of Law was organized in 1906 and became part of the University in 1909. It is a member of the Association of American Law Schools and the League of Ohio Law Schools and has received the approval of the American Bar Association. The aim of this college is to prepare students for the legal profession and also for better positions in business and industry. It offers a four year program with classes held in the evening; two years of satisfactory pre-law work in another college of the University is required for entrance.

The college has a carefully selected library which is growing steadily with purchases and many gifts. With the construction of the new law-library building, increased facilities will be available including a moot courtroom.

Dean of the college, Dr. Charles W. Fornoff, received a B.A., M.A., Ph.D., and J.D. degree from the University of Illinois. He is also president of the League of Ohio Law Schools.

The College of Pharmacy

The College of Pharmacy holds membership in the American Association of Colleges of Pharmacy and is recognized as an institution in good standing by the State Board of Pharmacy of Ohio and the American Council on Pharmaceutical Education. The facilities of the college include three well-equipped laboratories for the study of Pharmacy, a research laboratory, a dispensing laboratory and offices. In the dispensary each student has an individual desk fully equipped with apparatus and materials. Displays of current pharmaceutical products are set up to increase the students' familiarity with the field.

The demand exceeds the supply of workers in the field of pharmacy. Pharmacists are employed in analytical laboratories, commercial pharmacies, hospital pharmacies, industrial manufacturing plants and pharmaceutical education.

Dean Charles H. Larwood heads the College of Pharmacy. He received his B.S. degree from the University of Oklahoma; he was awarded the M.S. degree from Oklahoma A. and M. and the Ph.D. from Michigan State University. He is a member of Kappa Psi, international honorary pharmaceutical fraternity, which has a chapter here at the University.

The Library

The University of Toledo Library will soon have a building of its own. Preliminary plans have been approved by the University Board of Directors and the architects have been authorized to proceed with the "working drawings".

The Library will be constructed on the land east of University Hall, between the latter and the east driveway. Connected by a tunnel with University Hall, there will be four floors and a basement section. The top floor will house the law library collection, law classrooms and offices.

The ground floor will contain, in addition to stacks of books, a music listening room, a faculty study and a faculty lounge. The main floor will contain the various departments and offices. The Library Building is being constructed in response to a critical need which has existed for some years but which has grown steadily more acute. The University now has 160,000 bound volumes and continues to grow at the rate of approximately 8,000 bound volumes per year.

Mrs. Mary M. Gillham, librarian, also is professor of library science. She is a member of several professional library organizations, of Delta Kappa Gamma, honorary education society, and is a member of and adviser to Alpha Omicron Pi sorority on this campus. Mrs. Gillham is included in "Who's Who in America" and in "American Scholars", biographical listings.

The Registrar

The main functions of the Registrar's Office may be classified under five general headings: admissions, attendance, recording, registration and statistical data. The work in admission is concerned chiefly with evaluation of high school records and advanced standing records. The office maintains a record of all excessive absences and tardiness for both day and evening classes.

This year marks the beginning of a new registration system. Under this new system, IBM machines will be used in an effort to meet the immediate and modern demands of the University. One purpose of the new procedure will be the elimination of the long lines familiar to the old system of registration. With the aid of the IBM machines, filing time will be cut considerably, and grade cards will be ready to be mailed in a matter of hours.

Upon the resignation of Miss Geiner who had done an excellent job as registrar for 27 years, Mrs. Markowski was appointed acting registrar. Mrs. Markowski has done a wonderful job in her new position by undertaking so big a responsibility. Miss Marian Carrol now heads the evening registrar's duties, while Miss Gertrude Hopkins ably handles schedule administrations which are now incorporated into the registrar procedures.

IN MEMORIAM

PROFESSOR MILO STEPHENS

An editorial commendation of Professor Milo Stephens is indeed a graceful tribute. The most valid appraisal of his services to the University, however, will come from that large number of faculty members and students who will rise up spontaneously to voice appreciation of his skill as a teacher and sincerity as a friend. The improved lives into which he has extended himself will be an influence for good for a long time to come.

Professor Stephens came to us six years ago, well poised socially, mature in scholarship, and having achieved a signal triumph over physical adversity. His success as a member of the faculty derived from his enthusiasm for his work. On many occasions he remarked that he was very happy in his chosen career and with his relationships in the city and the University.

No responsibility was too demanding for him to accept—no request too trivial to receive his careful attention. He gave of himself liberally and patiently to student needs. As a counsellor his techniques were excellent and many a student who came into the office

discouraged, left with the dignity of one who had gained self respect.

The students in his classes soon learned that they were expected to put forth effort and were inspired to do so. "You just naturally want to become a skillful Binet Tester" was a typical comment. When asked once if he would object to members of the administration visiting his classes, he responded without hesitation, "Of course not, I have nothing to hide."

It is fitting that we, as a University family, communicate to his wife, Mildred, and to his children, Susan and Jo Ann, our heartfelt sympathy in their bereavement and our happiness with them that they have enjoyed the privilege of these years with so noble a husband and father. He was too practical to be much affected by eulogies. He would appreciate more that we spend ourselves a little more effectively in the field in which his labors were cut short. This obligation his friendship imposes upon us. We cannot do more, we dare not do less.

—Dr. Paul W. Stansbury.

"Crossing the Bar"

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam.
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourn of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

SENIORS

SENIOR CLASS

A great many laurels descend upon this year's senior graduates of the University of Toledo as they depart from the hallowed portals of their college to take their places among the professionals of the world. Four year's exhibition of fine abilities by the members of this class anticipate success and happiness for them in coming years.

The senior class activities were led by Jack Lester, an able president elected in the previous spring elections. He was assisted by Joan Machen, secretary; and Marilyn Weiker, treasurer. Senior Student Council representatives were Marilyn Miller and Jim Dawson. Dick Bensman was Student Council president.

Seniors working on the senior committees served to help 1951-1952 to be a bang-up year for the June graduates. These committees included:

Banquet: James Pelton, chairman; Donna Crocker; Dick Devine; Dorothy Vogelsang; and Pat Pope. Senior Ring: Jean Benson, chairman; Edison Tom; Anne Seufert; John Gist; Walter Bower. Convocation: John Savage, chairman; Marilyn Miller; Jack Overly; Joyce Massey; Shirley Jay; and Peggy Bires.

Senior-Faculty Softball: Paul Katz, chairman; Charles Miller; Roger Wadsworth; Norm Kwiatkowski; John Schuster; and Tony Morelli. Baccalaureate: Hazel Minke, chairman; Donald Noland; Norma Downing; John Hayek; John McGee; and Marilyn Ansted.

Senior Prom: Carolyn Matthews, chairman; Joanne Lukasiwicz; Barbara Emerson; Don Christensen; Florence Binder; and Marion Antonini. Publicity: John Fay, chairman; Peg Oberle; Meredith Hagne-Rogers; John Scott; Joan Machen; and Dick Gehring. Memorial: Jim Waffle, chairman; Marilyn Weiker; Jim Machen; Bette Gray; Bob Weinman; Aggie Bruno; and Irene Nakos. Announcements: Sally Scheppert, chairman; Nancy Reister; Ruth Lanner; Nancy Osgood; and Louis Cisowski. Co-ordinating: Bob Feldstein, chairman; Bonnie MacVay; Phyllis Martin; Carlaime Baldof; and Dick Bensman. Women's breakfast: Frances Tegtmeyer, chairman; Doris Robetaille; Judy Sweeney; Joan Ammer; Marilyn Heuerman; Ruth Stukey; Lois Metzger; and Jo Ann Hein.

Finance: Dorothy Fash, chairman; Val Wittenburg; Shirley Fair; Tom Brell. Picnic: Elsie Hoen, chairman; Nancy Fox; Frances Cohen; Virginia Peters; Al Sing; and Dick Franklin.

JUNIOR CLASS

The year's class activities were off to a roaring start as an unusually efficient junior class took an active lead. In the heated spring elections, Larry Leake, personable junior class leader, was elected to lead the members as president for the ensuing year. Dick Cox was chosen to serve as vice-president and Mary Ellen Gunn and Steve Mezardjian were chosen to serve as class secretary and treasurer respectively. Junior class student council representative positions were filled by Don Hummer and Mary Bendlin.

Elaine Bylow, another junior class member led the committees for the Homecoming celebrations and Betty Adams, another junior, was chosen to reign at the affair as Homecoming Queen.

Six juniors took honors by being chosen to represent the University of Toledo in the annual publication of "Who's Who Among Students in American Universities and Colleges." They included Francis Scott, Robert Mowery, Pat Stickroth, Ron Sinclair, Carol Garn, and Larry Leake.

Outstanding junior class event of the year was the Junior Prom held in the spring at the Naval Armory. Bill Benson and Phyllis Schmidt served as the co-chairmen of the dance. They were assisted by Louanne Heidtman and Norm Musialowski, decorations co-chairmen; Helen Eddy and Duane Muhleman, tickets co-chairmen; Dick Hamilton and Anne Oehler, band co-chairmen; Joanne Konop and Merrit Schaeffer, programs co-chairmen; Carolyn MacPhie and Dick Collins, invitations co-chairmen; and Don Hummer and Rose Marie Bochi, publicity co-chairmen.

SOPHOMORE CLASS

Sophomore class activities exposed numerous future ARX and Peppers, as the class members competed for appointments and offices open to sophomores.

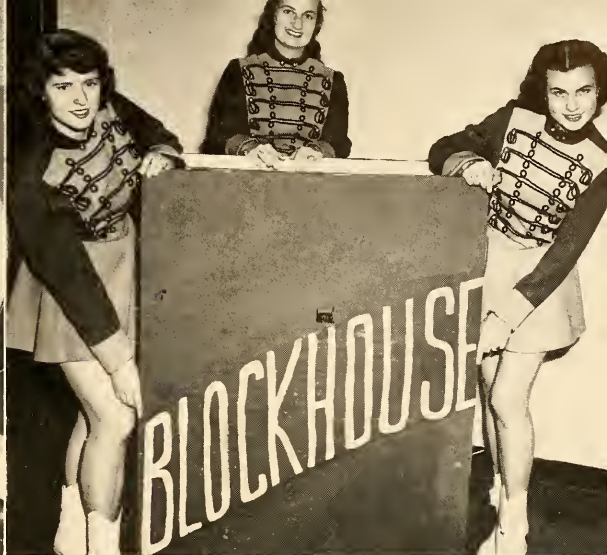

Officers chosen in the spring elections to represent their class included Andy Douglas, president; Devere Line, vice-president; Martha Freeman, secretary; and Nan Rogers, treasurer. Ginny Dowdney was chosen as sophomore women's rep to council and Carl Leistner was chosen as sophomore men's rep. Bob Baker was elected to serve in a rep-at-large position.

This year the Freshman and Sophomore Proms were combined into the "Hearts in Harmony" dance, honoring both classes. Joe Aredly and Sharon Kabel were selected as co-chairmen for the affair. Other chairmen included Beverly Jay, Dorothy Benton, Dave Keller, Barbara Dolan, and Bob Breese.

Numerous outstanding sophomores co-operated to make this an exceptional year for their class and the work they put out indicated that a great future is in store for many of these fine scholars and hard workers as juniors and seniors.

FRESHMAN CLASS

Newcomers at the University of Toledo provided much material for an exciting campaign in the freshman elections which occurred soon after the fall term opened. Candidates for freshman class officers included such outstanding members as Ed Kevern, Dick Leffler, Don Vigh, Kenny Friend, Nan Trevena, Duane Hostedder, Tom Erickson, Pat Richards, Jodie Manley, Miriam Miller, Louis Spanoudis, and Dom Bruno. When the smoke cleared, heated campaign smoulders revealed the victors to be Ed Kevern, president; Tom Erickson, secretary; Don Vigh, vice president; Nan Trevena, treasurer; Jodie Manley, freshman women's rep to council; and Louis Spanoudis, freshman men's rep to council.

Dom Bruno, defeated by one vote for the office of freshman men's rep to council, later snatched the important position of co-editor of the freshman handbook. The unusual choice of a freshman for this position proved his ability.

A combined freshman-sophomore dance dubbed "Hearts in Harmony" was held at the Naval Armory on February 22, 1952. Combined committees included such freshmen as Joe Aredy, who served as co-chairman of the entire dance; Bob Haynes, who assisted with decorations; Dom Bruno, co-chairman of invitations; Barbara Dolan and Ed Sadd, co-chairmen of band; Beverly Crosby, publicity; and Carol Huffer, programs. Numerous other freshman women and men served in different capacities on committees.

PANHELLENIC COUNCIL

The officers of Panhellenic Council are Pat Snody, president; Jo Ann Hein, secretary; Phyllis Martin, treasurer; and Dean of Women, Kathryn Schwab, as advisor.

Panhellenic Council acts as the governing body to social sororities on campus. The council is composed of two representatives from each of the seven sororities on campus, a senior and a junior.

The annual tea for all freshman women was held in October to introduce them to the sorority system. At this time a council round-table discussion helped the freshman women to understand the purpose of Panhellenic Council and the sorority rushing system.

November rushing saw a change in the usual procedure with the rushing of freshman and upper-class women in the fall instead of spring.

One of the most important events of March was the Panhellenic Workshop. Various speakers gave talks on the different phases of sorority life. Discussions were held in each of the sorority apartments, following a tea in the Student Union.

March also brought upper-class rushing to give a chance to the eligible women who had not been affiliated in the November rushing.

In May the annual installation banquet was held at which time the officers for the coming year were installed.

Front Row.—Green, N.; Martin, P.; Dean K. Schwab; Snody, P.; Hein, J.; Crockett, R.; Wiiker, M. Second Row.—Mecker, S.; Slack, M.; Bylow, E.; MacVay, B.; MacPhie, C.; Bendlin, M.; Mongey, J.

Front Row:—Farrell, J.; Bettinger, T.; Bradley, R.; Rose, D.; Lester, J.; Saari, K.; Georgoff, D. Second Row:—Loo, E.; Rehn, R.; Leake, L.; Scott, F.; Feldstein, R.; Palmer, D.; Fink, H.; Baran, J.; Glann, P. Third Row:—O'Neill, D.; Hutter, P.; White, C.; Hawley, S.; Guinall, J.; Bender, D. Fourth Row:—Hughes, T.; Schwartzberg, S.; Held, T. Fifth Row:—Waffle, J.; Hayek, J.; Garrett, R.; Swanson, F.

Inter-Fraternity Council commenced the year by having a complete revision of the weaker points in their constitution. These improvements helped to promote a feeling of better harmony and good-will among the eleven social fraternities on campus.

Under the leadership of Tom Held the member fraternities of I.F.C. plunged into a new rushing system. This year all fraternity grievances concerning rushing were handled by a special committee independent of the council. This new plan proved to be very successful and will probably be continued in future years.

The ninth national fraternity appeared on campus this year when Delta Tau was installed as Beta-Iota chapter of Pi Kappa Phi. The two remaining local fraternities are petitioning nationals at the present time. By the close of this school year I.F.C. expects to be a member of the National Inter-Fraternity Council.

The race for the Participation Trophy in sports started with golf in the fall, and continued through the winter sports of basketball, volleyball, bowling, and table tennis, concluding in the spring with baseball and the tennis tournaments.

The year came to a close with a banquet in May honoring the newly initiated fraternity members and also the new officers of I.F.C. The annual I.F.C. Dance was held in April in the Tropicana Ballroom.

INTER-FRATERNITY COUNCIL

ALPHA GAMMA UPSILON

Alpha Gamma Upsilon began the social season with a wiener roast at Side Cut Park. This was followed by open house parties after the home football games. The close of the football season brought about plans for a fishing trip to Northern Michigan, and although there were not too many fish caught, a good time was had by all—thanks to Dick Shimman, Jerry Mohr and Dick O'Heir for a well planned weekend.

Viking Hall was the scene of the freshman rush party. Plans for the rushing were made by Jerry Mohr, Dick Rose, and Roy Garrett with the appreciated assistance of the alumni group. Refreshments were planned by Ken Shaw, Dick Shimman and Red Zahn.

The holidays were highlighted by the Christmas supper and gift exchange among the fraternity men and their wives. The old year was ushered out with a New Year's Eve Party planned by Jerry Mohr, Ken Shaw, and Dick Shimman.

The National Board of Directors awarded to Lynn Strobel the scholarship pendant for an outstanding scholastic achievement.

The new year consisted of many informal get-togethers, the main topic of conversation being the National Convention. So ended the social calendar with many happy memories of the past year and many hopeful plans for the year to come.

Front Row—Strobel, L.; Baker, F.; Widner, R.; Shimman, R. Second Row—Shaw, K.; Mohr, J.; Phillips, J.; Perkins, D.

The year 1951-52 was an eventful one for Upsilon Tau chapter of Alpha Epsilon Pi. It marked a memorable year for the new Jewish fraternity which was formed from the two former local chapters, Kappa Iota Chi and Lambda Chi.

Social events were numerous throughout the year. A square dance, in conjunction with the Alumni Association, started the season's festivities. Then the two rushing affairs, an informal dance in the Student Union and a Stag Smoker at the Hotel Secor, were highly successful. The two biggest events of the school year were the New Year's Eve party which was attended by more than one hundred couples and the annual Spring Formal in May.

Athletically, the AEPi's were not too successful, but participated in all inter-fraternity sports.

Highlighting the season was the annual presentation of the J. Nathan Scholarship Award to the most-deserving freshman. The cash prize this year was awarded to Adolph Stadel.

Another scholarship award founded by the fraternity was the Dr. J. J. Olson award presented to an outstanding student in either the College of Medicine or Dentistry.

The fraternity was very prominent in extra-curricular activities with Bob Feldstein, president of Inter-Fraternity Council and Burt Laderman as Editor-in-Chief of the Campus Collegian. President Bob Weinman was chairman of the important IFC Housing.

ALPHA OMICRON PI

WE ALL SMILE.
FOR PLEDGE MEETING IS OVER

The officers of Alpha Omicron Pi are Carolyn Matthews, president; Pauline County, vice-president; Jane Davis, corresponding secretary; Doris Robitaille, recording secretary; and Barbara Emerson, treasurer.

The members of Theta Psi Chapter returned to campus in the fall with fond memories of cottage at Lake James, Indiana. In October, the annual Margaret Nachtrieb Tea was held in honor of a former advisor. This tea supports a scholarship awarded each year to the most outstanding history student at the university. The sorority then feted Phi Kappa Chi Fraternity at a Halloween Party where James Farrell, Phi Kap President, was named "AOPi Guy." In the Homecoming Parade the AOPi float, "O. The Cards Are Against U." won second place.

Alpha Omicron Pi has occasion to be proud of its active members on campus. Carolyn Matthews, a Pepper, is listed in Who's Who Among College Students. Carlaine Balduf, a Pepper, is in Who's Who, Radio Workshop and is president of the University Theater. Marilyn Weiker is secretary of Pi Gamma Mu, and is also treasurer of the Senior Class. Pauline County, Sorority Editor of the Blockhouse, is a Staff Writer of the Collegian and House Manager of the Theater. Margaret Horner is Box Office Manager of the Theater, and president of the International Relations Club. These are but a few of the many active AOPi's seen on the University of Toledo campus.

Success and effectiveness are high sounding descriptions. When applied to collegiate life and campus activities, however, these qualities exemplify themselves in the overwhelmingly successful year enjoyed by Beta Rho of Alpha Sigma Phi. Working from a basic foundation of cooperation and genuine brotherhood, Alpha Sig once again maintained its campus leadership throughout the 1951-52 year.

Sparking the university fall social season with a series of parties and dances honoring T.U. sororities, Beta Rho climaxed the fall rushing program with the annual Apache Dance, honoring freshman rushees and their dates. The yearly event is built about a French wharf theme.

Athletically, Sig again made hash of the inter-fraternity volleyball league with a second consecutive undefeated season, and placed high in the upper division of the bowling league.

Major accomplishment of the brotherhood last fall was the election of Alpha Sigma Phi candidate Betty Adams as University Homecoming Queen. Working in conjunction with Chi Omega, Alpha Sig again came up with a winning combination.

Officers of Alpha Sigma Phi were: Francis Scott, president; Ron Sinclair, vice-president; Dick Collins and John Lindemulder, secretaries; and Norm Kwiatkowski, treasurer.

Joyce Massey presided over the Alpha Chis this year assisted by Bonnie MacVay and Joyce Ehret, as first and second vice-presidents. Patt Walker and Deloris Sawade acted as recording secretary and corresponding secretary, with Naney Huke as treasurer.

The Alpha Chi Omega Campus Wide Back-to-School Party marked the first social event of Beta Omega's sixth year on campus. "Top 'Em T.U." was the Homecoming float theme which added a trophy to the Alpha Chi collection. Liz Baker was candidate for Homecoming Queen. Other fall events included sponsoring a hockey game in the Sports Arena, giving a party for orphans, and adopting a war orphan.

The Yuletide season included such highlights as the annual caroling party, a series of dinners in honor of campus fraternities, the Xmas formal, and a party given the Alpha Chis by the Delta Upsilon fraternity at Bowling Green.

The second semester included "Dad's Nite", Hera Day, set aside for altruistic work in connection with cerebral palsy, the Senior Farewell Banquet, and the Spring Formal.

Where there were extracurricular activities, there were Alpha Chis. Patt Walker reigned as May Queen. Carol Garn served as Co-editor of the Blockhouse, and Naney Naumann was a T.U. majorette. Peppers were Marilyn Ansted and Bonnie MacVay, also president of Kappa Delta Pi. Virginia Dowdney was Sophomore Women's Rep. to Council.

As the wheel of the school year rolled to a close, thoughts of summer cottage and relaxation danced before the eyes of Alpha Chis.

Alpha Phi Omega began its 30th year on the campus with its usual full schedule of athletic and social events. Although handicapped by the absence of over twenty men who left for the service, the Alpha Phis were determined to make this year just as successful as the ones in the past.

The fall social calendar was highlighted by the Alpha Olympics. Augmenting the fall social program was the traditional Christmas Formal plus several stag affairs.

Foremost among stag functions were the two parties held for freshman, rushing the success of which is evidenced by the fine group of men who pledged.

Homecoming was well participated this year. The committee should be congratulated for their splendid idea effected by complete cooperation. The candidate for Homecoming Queen was Kappa Delta's Gloria Peppin.

Athletically the Alpha Phis stepped off to a good start in competition for the Participation Trophy winning third place in the Inter-Fraternity golf tourney and tying for second place in volleyball, with promising outlooks for ping-pong and tennis.

The executive branch of the fraternity this year consisted of Ron Rehn, president; Pete Glann, vice-president; Jim Grau, secretary; Pete Bennett, treasurer; Dick Gehring, assistant treasurer; and Ron Brown, corresponding secretary.

Climaxing a colorful year the Alpha Phis held a spring formal in honor of the graduating actives who were awarded fraternity keys for the support they had given in the past years.

DELTA DELTA DELTA

WE ARE BOUND TO WIN!

In September Tri-Deltas gathered at their annual back-to-school roast to talk over those happy days at Lake George and the summer's events. During Homecoming the group had fun as always campaigning for their vivacious queen candidate, Peggy Wester. The float, a grinning Bobcat, was awarded second place by the Homecoming judges.

The Yuletide season was a busy time for the girls of the Stars and Crescent. The big event was the Christmas formal at which the engaged or newly married couples were honored. The Tri-Deltas also gave their annual All-sorority Buffet for the seventh consecutive year.

Along with its active social life the silver, gold, and blue was also represented in many activities! Lil Spinazze was president of the Ellen H. Richards Club, and Bette Gray was vice-president of the Baptist Club. Members in Peppers were Ruth Crockett, Gloria Fish, and Bette Gray. Lou Heidtman wrote the Femnastics column for the Collegian.

Spring came again and the Tri-Deltas polished up their winning Song Trophy from last year in anticipation of another Sorority Song Fest. Tri-Delta completed the busy year with the annual Faculty Open House and the Senior Banquet.

Officers of Tri-Delta 1951-52 were Bette Gray, president; Donna McClain, vice-president; Nancy Hill, corresponding secretary; Jean Schoeler, recording secretary and Nancy Prottengeier, treasurer.

The closing of the school year saw Delta Tau trekking for Mackinac Island where they enjoyed a vacation at the summer home of Bart Strahley. While there they entered a float in the annual Lilac Day parade and won first honors.

With the return to school in September, they started off with a rush party for upperclassmen and pledged John Connors, Loren Palmer, John Rippon, John Sanecki and Raymond Zuelke.

Among the fall social events were a roast, a Halloween party, a Millionaire's party and a card party. The Order sponsored Elizabeth Baker, of Alpha Chi Omega, as Homecoming Queen candidate and entered a float.

The highlight of the year occurred on December 8, 1951, when the Order of Delta Tau, the youngest fraternity on the campus, became the Beta Iota chapter of Pi Kappa Phi. The installation was conducted by Alpha Theta chapter from Michigan State College.

Officers and members attended a leadership school at East Lansing, Michigan in January.

Pi Kap roses are in order for Jack Guinnall, archon; Harold Fink, treasurer; Robert Drake, secretary; Bart Strahley, historian; Donald Crawford, chaplain; and Henry Gensler, warden as well as Rush Chairman Bob Drake and his committee.

January saw a party given by the pledges for the alumni and a square dance by the actives at Hausman's Barn.

Bowling and basketball were important items on the sports calendar.

ZETA TAU ALPHA

"WE ADMIRE OUR TROPHIES"

Officers of Zeta Tau Alpha are Mary Lingle, president; Phyllis Schmidt, vice-president; Velma Egarius, recording secretary; Sue Grossenbacher, corresponding secretary; and Nancy McCurdy, historian.

Our year was begun by a picnic at Ottawa Park in honor of all alumnae members. A card party followed, given with the Mother's Club. In October we celebrated our Founder's Day with the alumnae chapter at Northwood Inn. Our "Convention of Halloween Spirits" was a square dance we gave the Alpha Sigs. In November, we had a combination scavenger hunt and roast climaxed by a warm-up party. The busy month of December was ushered in with rush parties, pledging, a Christmas party and finally our formal "The Snowflake Swirl" held in the Tower Room of the Hotel Hillcrest.

Second semester began with a fraternity party, and an orphans' party held in Miami Children's Home on Valentine's Day. In April came our annual spring formal. May found us awaiting the second annual Zeta Weekend of parties, roasts, dances, and beach parties for all Zetas, their families and friends.

Zetas were seen in many campus activities. Mary Ellen Campbell was Junior Class Secretary and Mary Bendlin was a Junior Class representative to Student Council. Velma Egarius, a member of Peppers and Who's Who, was also Senior Editor of the Blockhouse. Phyllis Schmidt was co-chairman of organizations on the Blockhouse staff.

The Zeta Senior Picnic closed the 1951-52 year for all the members of Gamma Eta Chapter.

Front Row:—Campbell, M. E.; Lingle, M.; Post, A.; Evanoff, M.; Nightengale, N.; Eddy, H.; Taylor, B.; Connors, J. Second Row:—Grossenbacher, S.; Benson, J.; Benton, D.; Jones, M. Third Row:—Teeter, P.; Schmidt, P.; Nordsick, N. Fourth Row:—Racicot, R.; Egarius, V.; Bendlin, M.; Barkimer, M.

Delta Theta Chapter of Theta Chi returned to the 1951-52 school year with memories of the annual Theta Chi Open and the week at Lake James. News was brought back that the powerful bowling team had set three national records.

Jack Lester was chosen to lead the chapter, assisted by Don Christensen. Jim Rogge was elected to the secretary's position and Herb Earle was chosen treasurer.

The first party of the year was given in honor of Delta Delta Delta and Peggy Wester, Homecoming Queen Candidate. A serenade was followed by a roast. Concluding the successful rush parties, the annual spaghetti dinner and a Sadie Hawkins Day Dance, sixteen Frosh pledges were accepted into Theta Chi. A number of Delta Thetas were active in campus activities. Two men served on the Student Council; two class offices were filled. The annual Christmas Dinner Dance was held at the Trilby Log Cabin. At this affair came the formal announcement that Theta Chi had purchased a house. A New Year's Eve Party was the final social function of 1951.

Highlighting the spring social calendar were the Founders' Day Banquet, the Spring Formal, and the Regional Convention at Case University in Cleveland. The members spent most of their extra time redecorating and remodeling their house. An open house and date party resulted upon completion.

KAPPA DELTA

AND WE DANCED ON AND ON!

The officers of Kappa Delta are Anne Labuzinski, president; Mary Lon Rhoades, vice-president; Sonja Putz, secretary; Marilyn Miller, treasurer; and Ruth Ann Crago, assistant treasurer.

The Kappa Delta calendar for this year was packed with fun and excitement. Among the most memorable were Founder's day, and our Homecoming activities both in campaigning for our queen candidate, Gloria Pepin, and in making our float. A "Dorm Party" was also given with the theme "Boo's in the Night" which was followed by a party for the Air Force men stationed on campus. December activities were a caroling party followed by parties given us by our Alumnae and the Mother's Club. We also gave a Holiday Party for a Children's Home.

Activities during second semester consisted of fraternity parties, a Faculty Coffee Hour, visits by national officers, pledging, picnics, and our spring dinner-dance. With the oncome of May we bid sad farewells and best wishes at the Kappa Delta Senior Banquet.

Along with all these activities our members managed to remain active in other organizations. Marilyn Miller was senior women's representative to Student Council, and was elected to Who's Who. Martha Freeman was secretary of the Sophomore class. Pat Snody was president of Pan-Hellenic Council and Carolyn Engel held the same office in F.T.A. Margaret Thyen was co-chairman of the Student Council Xmas Dance. This is but a small indication of what our school year of 1951-52 was like in Kappa Delta Sorority.

Front Row:—Boehi, R.; Weaver, J.; Drake, B.; Rhoades, M.; Meek, A.; Miller, F.; Stuart, S.; Warner, P. Second Row:—Carr, K.; Thyen, M.; Pepin, G.; Labuzinski, A.; Engel, C.; Kohl, J.; Easterday, L. Kappa Sigma Kappa Fraternity began the year with a "Joe College" dance that was held at the Hobby Inn. The highlight of the social calendar was the annual Founder's Day Banquet. In consideration of the fact that Kappa Sigma Kappa is the youngest fraternity on campus, it can plainly be stated that the 1951-1952 school year was another year of tremendous progress. For the first time in its four years, the Kappa Sigs were represented in Who's Who in American Colleges and Universities, and were honored in having Marion Antonini elected as president of ARX. Moreover the KSK's captured the highly coveted Scholarship Trophy.

Between semesters the Kappa Sigs held a dance at the Stork's Nest in honor of the upperclassmen that were initiated into the Ohio Delta Chapter. Several Detroit brothers of Kappa Sigma Kappa attended the affair to help make it a success.

In January an apartment was acquired and was completely redecorated under the guidance of Don Silka. The Pink Elephant Room is the pride of the Kappa Sig apartment. It was frequented on many occasions by several members of other campus fraternities.

The Homecoming float, the zany idea of Dick Koehrmann, was another proud project of the fraternity. The tombstone inscribed with "They'll Go Down" drew high praise from many and rated second place vote by Mayor Czelusta.

The annual banquet honoring graduating seniors culminated a successful school year for Kappa Sigma Kappa, a fraternity advocating social activities, athletics and better government, on the Toledo University campus.

The officers of Pi Beta Phi are Joan Machen, president; Sue L. Schneider, vice-president; Nancy Bell, recording secretary; Anne Seufert, corresponding secretary; and Anne Oehler, treasurer.

Pi Beta Phi started the year with a bang by winning first place at the Alpha-Olympics. Not only was it loads of fun, but the trophy really brightens up the Pi Beta Phi apartment.

Next on the list of events for 1951 was Homecoming and the preparation of our float with the "De-Rail 'Em" theme. Nannette Foran, our candidate for queen, will always reign supreme in our hearts.

Christmas was celebrated by our annual dinner-dance held at the Top-of-the-Marks.

In addition to working and playing in the sorority, Pi Phi's were active in many clubs and honoraries. Dottie Fash, a Pepper and member of Alpha Phi Gamma and Phi Alpha Theta, was also society editor of the Collegian. Joan Machen, a member of Alpha Phi Gamma, Phi Alpha Theta, and Fine Arts, was managing editor of the Collegian. Mary Laub was president of Sigma Mu Tau and Nannette Foran was vice-president of F.T.A.

A number of Pi Phi's were to be seen in the Collegian office this year. Pat Blanke, copy editor; Annette Oehler, assistant circulation manager; and Joan Erd, associate society editor are only a few.

The list could go on and on. It was a wonderful year full of good times and hard work, but the Pi Phi's enjoyed every minute of it.

After a week of relaxation at Lake James the brothers of Ohio Iota chapter of Sigma Phi Epsilon spent the summer and early fall painting and redecorating the fraternity house on Winthrop street.

Twenty-seven men, nearly one-fifth of the freshmen who went Greek, chose the house with the Red Door, making Sig Ep tops in manpower.

Bill Benson, Larry Leake and Dick Springer joined Dick Bensman as members of ARX. Leake and Bensman were also named to Who's Who. The gavel of Student Council President was wielded by Brother Bensman.

Buzz Bartow was Editor of the Campus Collegian until his resignation in October, and was Copy Editor of the Blockhouse. Pete Hutter succeeded Larry Leake as Circulation Manager of the Collegian when Leake moved up to Business Manager.

Don Brannan headed the committee for the Sig Ep Christmas Formal at the Toledo Yacht Club. A dinner at the house preceded the dance which highlighted the winter social season. The last day of exams, June 6, was duly celebrated with the traditional Queen of Hearts Ball at Catawba.

Sportswise, Sig Ep fared well. Starting the year by copping second places in I-F golf and volleyball, the wearers of the Ebony Heart ended the basketball season in second place.

Officers for the year were: Neil McPhail, president; Larry Leake, vice-president; Dick Springer, comptroller, and Sam Wendt, recording secretary.

TAU KAPPA EPSILON

The Tekes began their second year as the Gamma Nu Chapter of Tau Kappa Epsilon, a national fraternity which was founded in Bloomington, Illinois in 1899.

This fall the chapter continued in its progress by becoming the sixth men's group on campus to acquire a house. The new chapter home is located at 2022 School Place.

Highlights of the year were the annual Founders' Day Banquet and the Province School Convention which was held February 23 and 24th with Gamma Nu Chapter as host. At the Convention a party was given by Chi Omega and Peggy Oberle was crowned Queen.

The social program featured beach parties, a week at the lake, date parties such as the Taboodle Party, a square dance, New Year's Party, a Christmas-tree trimming party, and Leap Year Party. AOPi was entertained by the chapter at a "Guilled Cage Party" of the 1890's. Outstanding were the "Status Quo" party for the Alpha Chi's and "Aloha" party for the Chi O's. Both were costume parties. A sweetheart was crowned at each sorority party with the traditional crown of red carnations. On May 21, the second annual white-dinner jacket formal called the Festival of the Red Carnation was held in the Ballroom of the Secor Hotel. From the sorority candidates a Queen was crowned and presented with a loving cup.

Officers of TKE were: John Hayek, Prytanis; Bill Dumbauld, Epiprytanis; Tom Holloway, Grammatous and Pando Pappas, Crysochylos.

This past year has again been one of successful activity for the Phi Kaps. The recreation room in the chapter house was redecorated prior to rushing. This included the addition of a game room which includes a pool table and ping-pong table.

Phi Kappa Chi had a very successful Homecoming, sponsoring Miss Nanette Foran of Pi Beta Phi for Homecoming Queen. Following the Homecoming Game, a party was held at the chapter house for all alumni, actives, their dates, and guests.

The chapter was serenaded by the AOPi's and Jim Farrell was crowned AOPi Guy. In December the 36th Annual Christmas Dinner Dance was held at the Toledo Yacht Club.

The 37th Annual Fraternity General Meeting was held on January 19th at the chapter house. An important social event of the school year was the annual Triad Dance.

This year Phi Kappa Chi ranked high in interfraternity athletics as well as in scholarship. This year the officers were as follows:

Worthy Master, James Farrell; Warden, Richard Franklin; Scribe, Ernie Shaw; Cors. Scribe, Richard Ashton; Custodian, John Gist; Chaplain, Louie Cisowski; and Marshal, Don Waggoner.

Senior advisors are Dr. H. H. M. Bowman and Dr. Nicholas Mogendorff.

PHI KAPPA PSI

The Ohio Eta Chapter of the Phi Kappa Psi Fraternity launched into its second year as a national fraternity with all of the enthusiasm and success typical of the old Sigma Beta Phi group.

After a one year's lapse, Phi Psi again won the IFC Participation Trophy for 1950-51. Our golf team opened the season with a victory, and although the volleyball and bowling teams could have been improved, the basketball quintet is as yet undefeated.

Phi Psi's aspirant for Homecoming Queen this year was Joan Meloy. Arnie Younkman directed the construction of the Homecoming Float.

The Social Committee has done a good job this year. One party that promises to become an annual affair was a mock "Hell Night," "ding session," and initiation for the dates of members. Tony Waltz and George Veller planned the function. Shortly after this came the Monte Carlo Party given by the alumni for the actives and themselves.

Walter Ritzman, chairman of the Christmas Formal held December 19th at the Secor Hotel, did another good job. The complement of the Christmas Formal is the party given at Yuletide for the needy children.

Officers are as follows: G.P., Thomas Held; V.G.P., Eugene Owczarzak; P., Thomas Brell; A.G., George Veller; B.G., John Wenzel; S.G., Walter Ritzman; Phu, Jim Watson; Hod, Jack Horner; Ili, Paul Sprague.

Elected officers of Chi Omega are Peggy Oberle, president; Phyllis Martin, vice-president; Pat Stickroth, recording secretary; Barbara Price, corresponding secretary; Shirley Jay, treasurer; and Agatha Bruno, pledge mother.

Election of Betty Adams as Homecoming Queen began another outstanding year for Chi Omega. Six Chi Omegas were chosen for Who's Who Among Students In American Colleges and Universities. They were Pat Stickroth, Junior Women's representative to Student Council; Dorothy Vogelsang, president of Kappa Gamma; Phyllis Martin, president of the YWCA; Shirley Jay, Agatha Bruno, campus editor of the Collegian and Peggy Oberle, president of Alpha Phi Gamma. Of these, Phyllis Martin, Shirley Jay, Agatha Bruno and Peggy Oberle are also members of Peppers.

Some of the social activities of Xi Delta chapter were a Sock Hop square dance, fraternity parties, a weekend trip to the Bowling Green chapter, an all-sorority dance at which time Jim Dawson was chosen Punchbowl King with Carlo Muzi and Fred Hugger in the court, the annual Christmas caravan, Christmas formal and a Santa Claus party for the faculty and the children of Nashville.

Chi Omega won a scholarship cup from Toledo Pan-Hellenic for the second time at the spring song fest last year. Top honors within the sorority again went to Barbara Price who has a three point average for her entire college career.

STUDENT COUNCIL

Student Council is the student government body on the University campus. Council has control over all student organizations and considers all matters affecting extra-curricular activities. Student Council also strives to attain cooperation with faculty in student affairs.

Student Council officers for the year 1951-52 were: Dick Bensman, president; Jim Dawson, vice-president; Larry Leake, treasurer; Don Abbajay, sergeant-at-arms; Pat Stickroth, secretary; and Goldie Bonis, assistant secretary.

The social committee was headed this year by Marilyn Miller. Ron Sinclair was head of elections and Marianne Slack headed the bulletin board committee. Mary Bendlin was in charge of the constitution committee and Carl Leistner was chosen to head the rally committee. Marilyn Miller also functioned as head of student-faculty relations.

Several replacements were made during the year. They included Ron Sinclair who filled the vacancy left by vice-president Jim Dawson when the latter graduated. Larry Leake, in capacity of junior class vice-president filled the vacancy left by the junior men's representative, Don Hummer. Bob Baker, representative-at-large, was replaced by Don Abbajay; and June Foltz was appointed to fill the vacancy of assistant secretary left by Goldie Bonis.

A tremendous cut in the University Budget caused a similar cut in the number of dances which could be presented by Student Council this year. Only five dances were thus sponsored and they were Homecoming, Christmas Formal, Freshmen-Sophomore Prom, J-Hop, and the Senior Prom.

Several unusual circumstances deemed it necessary for this year's Council to appoint several special committees who worked closely with the Student Activities Committee to cement student-faculty relations and to consider special problems. One of these special committees was the budget committee, who, along with the rest of the Council, considered the problem of the reduced funds available for student activities. In the fall, the efforts on the part of the Student Council and the Student Activities Committee resulted in an increase in the activities budget over that which it had been in the Spring of 1951. In order to set up a budget for 1952-53, Bensman appointed Marianne Slack as chairman of the budget committee. This committee investigated all groups wishing money from the activities fund. Then the committee brought their recommendations before Council where they were voted upon and passed on to the Student Activities Committee.

The matter of a Student Book Exchange was considered by Student Council and finally was placed in the hands of a five man committee on the recommendation of President Bensman.

PEPPERS

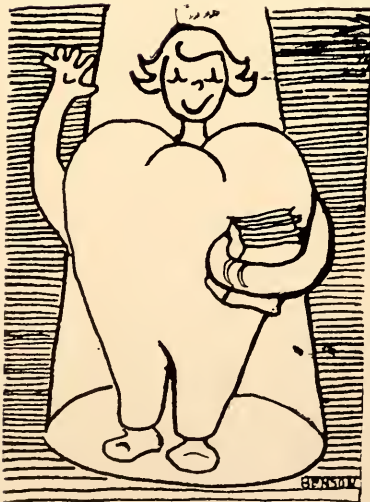

Peppers, women's honorary, is an organization which stands for scholarship, service to the University through activity participation, and worthy personal conduct. Peppers is limited to those top thirteen women on campus who best live up to these standards. At least a 1.5 average is required for membership plus an active and contributing participation in school activities.

Peppers as an organization was originally founded as a booster club with the intention of promoting the morale of the student body. It now stands as a recognition for those women considered to have contributed the most to the University.

In addition to the individual efforts of its members, Peppers carries on an extensive program of its own. The members serve as ushers for the concerts in the Peristyle of the Museum of Art. An annual party is given for the members of ARX, men's honorary, and their advisers. The alumnae of Peppers were entertained at a tea this year at the home of Dean Kathryn Schwab. As in previous years, those freshman women obtaining a two point average or better were feted at the Smarty Party. The most outstanding activity is the annual sorority song fest at the Museum of Art Peristyle. At this affair new members are tapped in an impressive candlelight ceremony.

A surprise tapping serenade was held in the fall to make the membership consist of thirteen girls. Marilyn Ansted was tapped. Others Peppers are: Carlaine Balduf, Velma Egarius, Bette Gray, Dorothy Fash, Bonnie MacVay, Peggy Oberle, Lois Foor Baker, Carolyn Bittick, Carolyn Matthews, Ruth Crockett, Phyllis Martin, Gloria Fish, Shirley Jay, and Agatha Bruno.

Dean Kathryn Schwab is adviser. Carlaine Balduf is President, and Velma Egarius is Secretary-Treasurer.

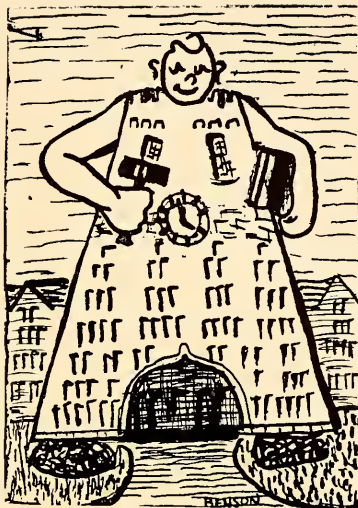

Arx is the men's honorary at the University of Toledo. Its membership is limited to thirteen junior and senior men who are outstanding in scholarship and extracurricular activities. In order to be elected to Arx one must display unusual ability in at least two fields, have an above average scholastic record, and be of high moral character. These are the primary requisites of Arx—the highest distinction a University man may attain.

Twice each year tapping is held. The tapping ceremonies serve as a notice to the student that he has entered the select circle, and also as notice to his fellow students that he is one of the thirteen leaders on the University campus. Those men tapped at the 1951 Christmas Formal were: William Benson, Larry Leake, Edward Loo, Richard Redd, Wayne Seppeler, Ronald Sinclair, and Richard Springer. Members from last year were Marion Antonini, James Dawson, James Machen, Richard Bensman, Ronald Rehn, and Donald Rich.

The year's program is distinguished by several activities. Members of Arx usher at graduation exercises and at the sorority songfest. Assistance is given the Red Cross in its yearly drive for greater funds. A breakfast is held in honor of Peppers, and a Presidents' Ball is sponsored yearly to honor the presidents of the various organizations on campus.

Advisers to Arx are Associate Professor Jesse R. Long, President Asa S. Knowles, and Dean Donald Parks. The officers are: President, Marion Antonini; Vice-President, James Machen; and Secretary-Treasurer, Richard Bensman.

ALPHA EPSILON DELTA

The officers of Sigma Alpha Omega for the semesters 1951 and 1952 include: Virginia Zolciak, president; Mary Thompson, vice president; Jean Armstrong, secretary; and Jackie Schoen, treasurer. The advisors of the club are, Mrs. Mae Blanchard and Miss Marian E. Gray.

This was the first year of activity for the newly reorganized and reactivated Sigma Alpha Omega, Home Economics Recognition Sorority, on the University of Toledo campus.

Aims of the organization are to stimulate active participation in school functions, promote achievement of high scholarship, and help furnish a broad cultural education for home economics students. The spirit which symbolizes Sigma Alpha Omega is that of happy, healthy womanhood, and of harmony, achieved through the cooperation and friendliness of its members.

A highlight of the organization's year was the December Progressive Dinner given in honor of the initiation of Betty Adams, Angela Miller, and Jean Ward. The hostesses decorated their homes with all the Christmas trimmings, creating an atmosphere of friendship and harmony, the true spirit of Sigma Alpha Omega. Other professional activities included sponsoring an open house of the newly re-decorated and enlarged Home Economics Department for the alumni members and a tour through Libbey-Owens-Glass Company.

The officers of Alpha Epsilon Delta for the semesters 1951 and 1952 include: William H. Richmond, president; Robert L. Dornan, vice president; Nicholas S. Checkles, treasurer; George A. Leighton, historian; and corresponding secretary, Delbert Dayton. Dr. H. H. M. Bowman is the advisor of the club.

Alpha Epsilon Delta is a national pre-medical honor society, the only national honor society which is devoted exclusively to the interests of premedical students. The organization is an affiliated society of the American Association for the Advancement of Science, and a member of the Association of College Honor Societies. The object of the society is to encourage excellence in premedical scholarship, to stimulate an appreciation of the importance of premedical education in the study of medicine, to promote cooperation and contacts between medical and pre-medical students and educators in developing an adequate program of premedical education, and to bind together similarly interested students.

The big event of the year for both pre-medical and medical students was the annual Christmas party, which also served as a homecoming for alumnae of the local chapter who are now attending medical school.

Founded May 2, 1935 by faculty members who were members of Phi Beta Kappa, Sigma Xi, and Phi Kappa Phi, national honorary scholastic fraternities, the Honor Society is for the prime purpose of giving due recognition to students who have accumulated high scholastic rating during their residence in the University.

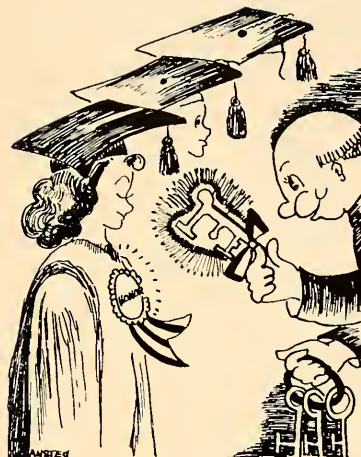

Students are eligible during the first part of the second semester of either their junior or senior year. Those elected in their senior year consist of the upper five percent of the graduating class and such additional students in the second five percent as the active members shall see fit to elect, but the total number may not exceed ten percent of the graduating class (usually overall average of 2.5000 or higher).

Those elected in their junior year consist of the upper three percent (usually an overall average of 2.7000 or higher). Worthy candidates for a master's degree may be chosen but no more than twenty percent of the total number of master's candidates may be elected. The total average of graduate and undergraduate records is considered.

Other matters which may be considered are: 1. Special achievements in the intellectual world. 2. The number of incompletes regardless of final grades given. 3. The honesty of the student in his work.

Certificates of membership are conferred at the annual spring dinner and initiation. The members-elect are dinner guests of the University on this occasion. In the past, keys were also given.

Many of the Society's members are very active in extracurricular activities including other honoraries.

MECHANICAL ENGINEERS

The student chapter of A.S.M.E. was organized on the University of Toledo campus last year. Its membership consists primarily of mechanical and industrial engineering students. The purpose of the student chapter is to unite these students in a program of discussions, plant trips, and lectures supplementing their undergraduate curriculum by acquainting them with industry, the mechanical engineering profession, and preparing them for the future. In addition to this program the student chapter provides a stepping stone to the future membership in the active chapter.

Meetings are held once a month and usually a prominent speaker in the engineering or management aspect of some Toledo industry is procured. Talks this year included a variety of speakers on subjects from strictly engineering topics such as "The Engineering Applications of Arc Welding" to a look at the future with such a talk as "Your Future As An Engineer".

Plant tours were conducted by arrangement for members of the chapter. These tours included visits to the Pure Oil Refinery, and the National Supply Company.

The A.S.M.E. is a technical society rather than a professional society and is concerned mainly with exchange of information on technical topics of a mechanical or industrial engineering nature.

The officers for 1951-1952 of Kappa Gamma include: Norma Downing, president; Nancy Brigham, vice-president; Anne Seufert, secretary; and Dorothy Vogelsang, treasurer. Their advisor is Mrs. Gertrude Burg.

On November 30, 1945, in the dispensing laboratory, Kappa Gamma, women's honorary pharmaceutical sorority, was founded by Catherine Glendenning and Flore Terada.

The badge chosen as the symbol of Kappa Gamma is a small gold mortar and pestle with the Greek letters for Kappa Gamma inscribed upon it.

Kappa Gamma held its rush party at the home of Pat Daney and later pledged four sophomore girls in pharmacy. The pledge pin of the organization is a tiny white capsule, tied with green and white ribbon.

The Christmas Dance was held jointly with the other pharmacy organizations this year at the American Legion Hall. During National Pharmacy Week, Kappa Gamma's display consisted of a large map of the city of Toledo with the name and place of employment of each member and alumni attached to the map with ribbons.

FINE ARTS CLUB

The purpose of the Fine Arts Club is to further appreciation of the arts. It is composed of twenty-five students who are outstanding in art, music, dramatics, and creative writing.

Four major events were sponsored this year: in addition to the annual spring and fall art exhibits, the club had a winter exhibit at the Art Museum. Joan McCarthy and Dick Devore were co-chairmen of "An Evening with the Fine Arts", a program of dramatic, musical, and literary selections given for the public in February.

A large class of new members was admitted in November: music: Constance Michel, Alyce Post, and Jack Hughes; dramatics: Bill Granger, Lilian Sanderson, and Gloria Athans; literature: Joan McCarthy, Arlene Corey, and Angie Schneider; art: Lemaxie Glover, Bob Lauviaux, Elaine Taylor, Dick Devore, and Marg Collins. Former members continued to be active this year. Ruth Isenberg, pianist, performed with the junior symphony; Jeanne Connors sang in "La Traviata"; Joan Machen sold many of her short stories to magazines; Joyce Rehn is illustrating a children's book; Donna Crocker continued with her ceramics; Joan Ammer performed many times as soprano soloist at music functions; Carlaine Balduf and Phil Hall were outstanding in University Theatre productions; the paintings of Benson, Redd, and Brown were prominent in all art exhibits; Peggy Oberle was accompanist for the choir. During the year members demonstrated their abilities for the other members at the meetings.

Officers for the group are: Richard Redd, president; William Benson, vice-president; Marylin Ansted, secretary; and Joan Brown, treasurer. The advisers are Miss Ruby Scott, Miss Isabel Stafford, and Miss Doris Brockman.

BETA BETA BETA

Ronald S. Carmichael led the ASCE as president this year with John L. Lewis, vice-president; Roy N. Garrett, secretary; and Thomas Basich, treasurer. The faculty adviser is Prof. Edwin L. Saxer.

The American Society of Civil Engineers was established in 1852 to provide its members with an opportunity to develop individual ideas through association with the active leaders of the profession. To the engineer, membership in the Society provides the professional associations and contacts by which success in his profession usually has been obtained.

Membership in the student chapter provides members of the civil engineering classes with a foundation towards later affiliation with the Society and aids the student in attaining a professional spirit.

Regular monthly dinner meetings are held by the Society and are attended by delegates of the student chapter. In this way, students are able to meet and discuss topics of mutual interest with practicing engineers. Meetings of the student chapter are also held monthly.

Highlight of the last year was the joint meeting with the local section of the Society and Ohio Northern University at the Elk's Club, the University chapter acting as host. President Knowles was the principal speaker. Other notable speakers throughout the year included Mr. Arnold Finch, city manager and Mr. Guy Neepser, county engineer. In addition to being faculty adviser, Professor Saxer also serves as the official link between the student chapter and the Society.

The officers for 1951-1952 of Beta Beta Beta include: Leroy Eulberg, president; Roger Henry, vice president; Robert Dornan, treasurer; and Melvin Lechlak, historian. Dr. Floyd J. Brindley is the advisor of the club.

Beta Beta Beta, national society for students of the biological sciences, restricts membership to those students who maintain above-average scholastic records and who indicate a special interest in biology.

Activities included field trips to Lake Erie marsh, Oak Openings Park, and the fish hatcheries at Castalia, Ohio. Once a month, open social meetings are held in the evening. Speakers for these meetings are chosen so that one of the many phases of biology can be presented by a specialist in that particular field. A Christmas party was held at Sidecut Park. Sledding and skating followed by dancing, gift exchange, and refreshments made this affair a contemplated annual event.

On November 17, nineteen new members were initiated into the fraternity. A banquet at the Stork's Nest followed. Mr. John P. Manton, special agent of the Federal Bureau of Investigation, spoke on the organization and functioning of that bureau of government.

The purpose of the Radio Workshop is to further an interest in radio production, to raise the cultural standards of the University, and to afford students an opportunity to participate in radio productions which are broadcast from the studio at the University over station W.T.O.L. The Radio Workshop offers experience in acting, directing and script writing. Every program has a student director who works closely with the organization adviser, Mrs. Norma Stolzenbach.

This year's series included adaptation of such standard classics as Hawthorne's "The Ambitious Guest," Dicken's "A Tale of Two Cities," and Shakespeare's "Henry II." Among other shows presented were "The Marriage Proposal," which is a translation from a Russian play, and "The Man Who Bought His Own Painting," an original script by the mother of a University student.

Presiding over the Workshop this year was Joan Ammer. Betty Houston served as secretary. Donna James was music chairman, while Ray Draves was in charge of sound. Scripts were arranged by Tom Laskey. Pauline County was in charge of scripts, and Dick Derick was librarian. Mary Jane Delaney was programming assistant.

To be eligible for membership in the Workshop, a student must be a second semester freshman or an upperclassmen. At the beginning of each semester auditions are held and students are chosen in view of their potential abilities and by the approval of workshop members.

AMERICAN PHARMACEUTICAL ASSOCIATION

Our group meets together for the purpose of having Christian fellowship on the campus. Based on the fundamental belief of Jesus Christ as a personal Savior, we meet together to study the Bible, which we believe to be the inspired word of God. Another activity of the group is a daily prayer meeting at which members convene for the purpose of praying together.

Inter-Varsity Christian Fellowship is a national organization with groups on many campuses in the United States to provide spiritual development for the students and to present an evangelical student witness. Other activities are supper meetings and attendance at the Ohio Spring Conference and Ohio Fall Conference. We believe as in 1 John 4:10 that herein is love, not that we loved God, but that He loves us, and sent His Son to be the propitiation for our sins.

Officers for the Inter-Varsity Christian Fellowship are: James Tanner, president; Marylin Ansted, vice-president; and Roger Henry, secretary-treasurer.

The object of the American Pharmaceutical Association is to give students of pharmacy an opportunity to meet as a group and share knowledge for the social and professional progress of pharmacy.

Officers this year were: Dorothy Vogel-sang, president; Joe Cappello, vice-president; Anne Seufert, secretary; and John McGee, treasurer; with Mr. Aponte and Dean Larwood as faculty advisors.

Both as a social group and as a professional organization, the American Pharmaceutical Association has a diverse program ranging from informal dances and parties to educational talks by men and women prominent in pharmaceutical circles. During the past year a series of lectures has been given by representatives from the fields of retailing, manufacturing, hospital and research pharmacy.

Social activities of the year opened with the annual roast welcoming freshmen in the College of Pharmacy and included a baseball game. The Christmas party was held at the American Legion Hall. It was sponsored jointly with the other three recognized pharmacy organizations this year, with Joe Cappello and John McGee serving as our representatives. The group also put up a Christmas display in Pharmacy Hall under the direction of Chuck Beck.

The January "Rowdy Party", held at the Farnsworth Park Shelter House, was one of the highlights of the year. At this affair, members and faculty got together for an old-fashioned fun night.

The Ellen H. Richards Club is an organization in which all students enrolled in home-economics are eligible for membership. The purpose of this organization is to promote the interest and enjoyment of the students in the field of home economics.

At the first active meeting of the Ellen H. Richards Club, the forthcoming activities of parties, speakers, banquets, and meetings were set up. Each month a supper meeting was held at which time an outstanding speaker in the field of home economics was present. One of the main events of the year was the annual Founders' Day Banquet which was held in the Student Union. The foreign students attending the University were invited to this year's Christmas party. Other events included a Bake Sale, featuring the baked goods made by the home economics department; a Father and Daughter Banquet; a Mother and Daughter Tea; and several other functions. These outside activities include roasts, field-trips, and the trips to other places to get experience in home economics.

The officers are: president, Lillian Spinazze; vice president, Virginia Zolciak; secretary, Mary Mackay; treasurer, Mary Thompson. Mrs. May Blanchard is the adviser.

DELTA X

With President Nancy Osgood leading the way, the Physical Education Majors Club took great strides its first year on campus. As a new group organized this year, its purpose is to give Physical Education Majors practical experience in their field, to promote friendship among majors, and to develop a professional interest in Physical Education.

Other officers include: Ruth Stukey, vice-president; Natalie Woods, secretary; and Jean Barlow, treasurer.

Through the year the Majors Club has enjoyed an active program. In the fall the club sponsored a "Major-Minor Mixer" which was open to all students majoring or minoring in the field.

Through the seasons, the girls gained practical experience by officiating the WRA team sports. The Majors also challenge the WRA champions of major sports each season.

At business meetings during the year, the club was addressed by speakers connected with Physical Education throughout the city.

In March, the group attended the Mid-Western Physical Education Convention in Cincinnati where it met with and exchanged suggestions with organizations of this type from all over the Mid-Western region.

The local group is affiliated with the American Association of Health, Physical Education and Recreation and the Ohio Association of Health, Physical Education and Recreation. The local chapter is advised by Mary Spooner.

Delta X opened this year's activities with a fall get-acquainted roast at Ottawa Park. The first regular meeting was held with Frank Sherburne speaking on the topic "Opportunities in the Field of Mathematics".

In December, the group held a Christmas party. At this party members exchanged gifts of mathematical tricks and puzzles. During the year, Delta X has had numerous excellent speakers including Richard Pio who spoke on "Hyperbolic Functions" and Mr. Leonard Hadden whose topic was "A Personal Experience With Mathematics". May brought a fitting end to a successful year with the annual Delta X banquet at which the new officers were installed.

Officers for 1951-52 were: Lois Crew, president; Frank Sherburne, vice-president; and Carol Garn, secretary-treasurer. However, the year was saddened by the death of Phillip Miller, one of our most brilliant students, who was to have been president second semester.

CHIMES CLUB

Did you ever notice girls huddled in their overcoats marching in the Rocket Band during the football season? Did you ever wonder who they were, or what was the school spirit behind their service? These are the pledges and members of the Chimes Club, the women's band fraternity of the University of Toledo. But these members do not constitute all of the club's membership for the women playing in the Symphonic Band are also eligible. They do not have to be majors or minors in the music department.

Ruth Aseltyn, Pat Cole, Beverlee Kubie, Gwen Gallaher, Chloe Merickel, and Nancy Naumann were pledged to the club last October. In their pledge oath they faithfully promised to uphold the standards of this club and to devote their time and efforts to furthering its development. Their pledge duties consisted of helping the Chimes with a money making project and running errands for the staff members of the music department.

The Chimes Club works in close cooperation with Kappa Kappa Psi, the men's band fraternity, to sponsor fun nights for the members. An example was the "Kid's Party" held in November at Monroe Street Methodist Church. The biggest affair of the year occurred at the close of the marching season. It was the annual Rocket Band Banquet sponsored by the joint band fraternities in cooperation with the band director. Nancy Naumann was general chairman of the affair; the entertainment was written and directed by Dorothy Benton; and the decorations were done by Pat Cole. At this time award pins, sweaters, and band letters were presented by Mr. Harold Smith, band director. The two year award pins were earned by Judy Price and Gloria Piotrowski. Nancy Fox Bricker was the only Chimes member who received the coveted four year band letter worn on the band sweater. These awards denote continuous years of service to the school in the marching band.

The officers for this year are: Judith M. Price, president; Dorothy Benton, vice-president; Nancy Fox Bricker, secretary; Phyllis Polland, treasurer; and Gloria Piotrowski, historian. Mrs. Harriet Pheatt is adviser to the group.

school hours. Prominent speakers and enjoyable entertainment was included in the program of many meetings.

Social activities of the year included a party welcoming new members, two square dances and a Christmas party including caroling in Nashville. A roller-skating party at the Rollercade was our money-making project.

Current officers of F.T.A. are Joanne Konop, president; Ruth Stuke, vice-president; Nanette Foran, secretary; and Walter Pakulski, treasurer.

The year's activities were climaxed with the fifth annual Education Conference of Northwestern Ohio F.T.A. high school and college chapters held at the University of Toledo.

Dr. Helen Holt and Dr. George Ackerslund are the advisers of this organization. Miss Carolyn Engel was president during the first semester.

FUTURE TEACHERS OF AMERICA

Membership in the Future Teachers of America is open to all students in the College of Education. The membership drive in the fall gained 127 interested members.

The F.T.A. is considered a junior membership in the National Education Association and the Ohio Education Association, entitling members to receive the N.E.A. and the O.E.A. journals, and to attend education conferences sponsored by these groups. The purpose of this club is to help College of Education students orient to the teaching profession and give aids in academic and professional training. Advantages of the groups are numerous and the increasing interest of the chapter indicates that the students are aware of this.

The Philip C. Nash Chapter of the F.T.A. has been active on the University of Toledo campus for four years. In the first semester, meetings were held the second Thursday evening of every month; second semester they were held during

Our Elementary Education Club had a very successful year with varied activities and programs. We had many good times together, not only enjoying ourselves, but at the same time learning something under the direction of our president, Hazel Murphy Minke. Helping to make each program successful was our vice-president, Carolyn Steinhauer. Irene Stahura was elected secretary and Virginia Dowdney treasurer.

At our first meeting in our El. Ed. room all available space was occupied and everyone enjoyed themselves. The get-acquainted games and songs brought many laughs from the group, especially from our El.Ed. teachers: Dr. V. Carver, who is our advisor; Dr. H. Holt, and Dr. Marine. Also present were two newcomers to the El. Ed. department, Dr. Stevens and Mr. Wickes.

At our November meeting we learned the principles of "First Aid In The Classroom" which was sponsored by the American Red Cross Headquarters.

The Christmas spirit prevailed at our December meeting with talent from the group and the singing of carols. Of special interest, a first grade rhythm band from Washington School performed.

Practice teachers in the form of a panel and discussion talked about "What Impressed Me Most About Student Teaching." This was interesting to other seniors, and especially helpful to freshmen, sophomores, and juniors who are looking forward to student teaching. Sonja Putz, the program chairman, acted as moderator.

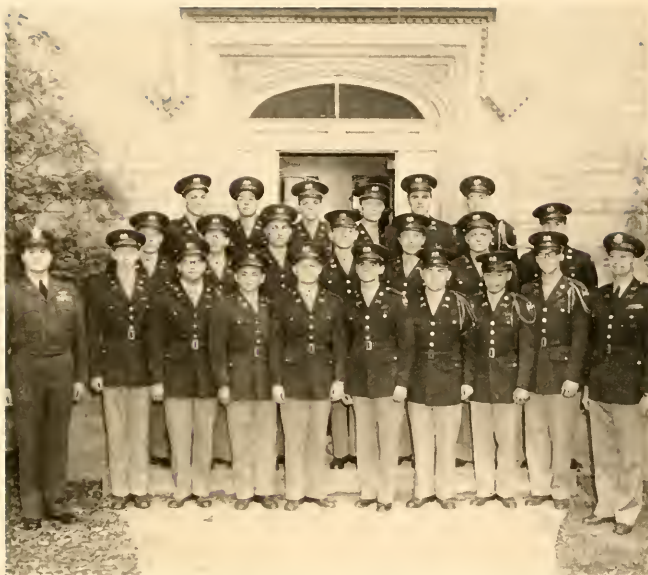

A kindergarten teacher from Nathan Hale Grade School showed some "Tricks of the Trade" in teaching art for young children. The spring style show featured the latest apparel for the modern teacher.

SCABBARD AND BLADE

The Scabbard and Blade, a national military fraternity for junior and senior members of the R.O.T.C., was organized in 1950. Under capable officers it has now become one of the more active clubs on campus. Weekly meetings are held as well as two additional meetings twice a month.

In the first week of October, a roast was held at Side-Cut Park. Also in October, a pistol team was organized under the leadership of Cadet Kline. This team practiced for matches to be held in the spring with Scabbard and Blade groups from other universities throughout the country.

A stag party was held during the Christmas vacation. Between semesters the annual Scabbard and Blade Formal Dance was held. The dance was held at the Officers' Club at the Rossford Ordinance Depot.

On Sunday, February tenth, an informal initiation was held at the University for the pledges. This consisted of a ten mile cross country hike with equipment. All military formations and security measures which can be employed during a march were used. Tactical problems were also given. In the evening, in a ceremony dating back to the original chapter at the University of Wisconsin in 1904, the pledges were made active members.

In May, a banquet was held at the Hillcrest Hotel followed by the Scabbard and Blade Spring Formal. Officers for the year were: Arthur Boote, Captain; David Adams, First Lieutenant; James Pelton, Second Lieutenant; and William Kaser, First Sergeant.

PI MU EPSILON

Pi Mu Epsilon is a national honorary mathematics organization. The University of Toledo Chapter, Ohio Gamma, was installed in 1936. Its purpose is to promote mathematical scholarship among students here at the University.

To be eligible for membership, an undergraduate student must have completed a course in mathematics beyond integral calculus, have a 2.5 average in mathematics and a 2.0 average in all other courses. He must also be an active member of Delta X.

A regular business meeting is held every month at which time a speaker gives a talk on a topic pertinent to mathematics. Initiation was held in February this year on the anniversary of the date when the chapter received its charter. At a banquet in the Delft House the following students were tapped: Lois Crew, Carol Garn, and Frank Sherburne. At this meeting a representative from International Business Machines gave the group information on the various types of IBM machines and how they operate.

The year was brought to a close with a picnic supper and initiation in June.

THE MILITARY SCIENCE CLUB

The Military Science Club was organized and approved on this campus in October of 1949. Its prime objective is to promote and advance social activities among the members of the corps. Inasmuch as the R.O.T.C. is one of the largest men's organizations on campus it can do a great deal to bolster the spirit of the University. There are many campus activities which the Military Science Club participates in, such as intramural sports, homecoming and May Day activities. Besides the campus sponsored affairs, the club has its own social activities. These include dances, smokers, mixers, motion pictures, and the most important of all the annual Military Ball.

All full time students who are enrolled in the R.O.T.C., who remain in good standing, are automatically members of the Military Science Club. Each member contributes to the club fund to support the various activities beneficial to every member.

The officers of the club are the President, First, Second and Third Vice-Presidents, Recording and Corresponding Secretaries, Custodian of the R.O.T.C. Fund, and Class Representatives. These elected men compose the "Board of Control and Policy."

Within the last two years the Military Science Club acting within the R.O.T.C., has done much to increase the respect for the University and the unit itself by the people of Toledo. The social activities of the R.O.T.C. are well known throughout the University. The Military Ball is one of the biggest events of the year for the whole school. Each year the dance is superior to the one before. Likewise the Club itself is increasing in proficiency and prestige. Profiting by experiences of the past, the Military Science Club looks to the future with high endeavor and expectations.

SIGMA MU TAU

Sigma Mu Tau is a women's biology honorary sorority, founded April 25, 1941, whose membership includes students in medical technology, pre-medicine, and biology majors in education and arts and sciences who have a sophomore standing and who have a 1.5 accumulative average.

This year Mary Laub was elected president; Thelma Lange, vice-president; Mary Jane Rieker, secretary; Carol Hoffman, treasurer; and Nancy Iluke, reporter.

The purpose of the sorority is to bring together women of the University who have a common interest in biological sciences, to stimulate their interest in these sciences, to further the cause of biology, and to offer social contact with other people in the same field.

Activities of the year were social as well as academic. Pledging was held in the fall and initiation of twelve new members was held early second semester. In November the group co-sponsored a meeting with Alpha Epsilon Delta, men's pre-medical honorary. Dr. Kobacker spoke to the interested students and faculty members. A dance in the Student Union followed. March brought the group's annual service project of blood typing for any interested student or faculty member.

The eleventh Founder's Day celebration was observed by a banquet at the Delft House. Formal installation of officers was held in June. Dr. Archie N. Solberg serves as the adviser to our sorority.

BUSINESS ADMINISTRATION CLUB

The Business Administration Club began the year with a membership drive. The president, Tony Morelli, headed this function and was assisted by former members. After this was completed, there was a meeting introducing new members and telling them about the functions of the organization. Meetings were held each month. At these meetings there were movies, followed by a discussion and planning of social activities. These activities included: hayrides, square dances, mixers, tours of various industrial plants, a tea held with the faculty, and at the end of the year, a student-faculty picnic.

This year, the scheduled activities were a square dance held in November, a tour of the Buckeye Brewery Company, and a Christmas party suggested by adviser Dean Hensel.

Also chosen to serve by the members were: Marge Thyen, vice-president; Louis D. Russell, secretary; and Alice Reynolds, treasurer.

First Row:—Line, D.; Kuhlman, R.; Morelli, T.; Howland, R.; Janis, R.; Russell, L. Second Row:—Rich, D.; McCurdy, N.; Woolaver, B.; Crago, R.; Reynolds, A.; Thyen, M.

Kappa Psi, international honorary pharmaceutical fraternity, was founded in 1879 and incorporated in 1903. The local chapter received its charter on May 22, 1925 and has remained active except during the war years of 1943-1945. The chapter is now expanding in size and growing rapidly.

The fraternity endeavors to promote good fellowship, to stimulate higher scholarship among the students of pharmacy, to bind together the students of similar ideas and objectives, and to develop a sense of professional ethics among the men who are studying the fine art of apothecary. Scientific discussions by retail pharmacists, physicians, pharmacologists and educators in pharmacy tend to familiarize the men of Kappa Psi as to their duties as future pharmacists.

Activities during the past year included the annual pledge-active sporting events and other get-togethers. It has also been the policy of Kappa Psi to erect educational displays in Pharmacy Hall at regular intervals.

Dr. H. H. M. Bowman and Jose Aponte are advisers to the group.

PYRAMID CLUB

First Row:—Cowell, M.; Goodwin, R.; Harding, M.; Huntley, M.; West, C.; Reynolds, L. Second Row:—Thurman, J.; Jacobs, A.

The Pyramid Club is the pledge club of Delta Sigma Theta sorority. This year, some of the club activities included a "Heaven and Hades" party for some high school students, given in February; a card party in March; a "get-acquainted party" in October for new students at the University; and a Christmas party. The Pyramids presented a skit at the annual celebration of "Delta's Founders' Day" on January 13. The club also presented a skit at the "Jabberwock" an annual program of skits given for the purpose of raising a scholarship fund. Another of the club's early activities is participation in the World Student Service Fund. The club ushers or renders services to other sororities and fraternities in helping them to carry out their programs, especially during conventions. The Pyramids always try to do something for elementary school students to encourage them to strive for the better things in life.

Officers for the year were: Vivien Hocker, president; Lillian Lewis, vice-president; Marlene Ship, recording secretary; Marcella Jordan, corresponding secretary; Janice Goodwin, treasurer. Jean Thurman is advisor.

BLOCKHOUSE

Throwing caution to the winds, the 1952 BLOCKHOUSE staff decided early in October to put out a book. Having once decided to take this bold step, John Scott, Business Manager, outfitted members of the publication in dark glasses and white canes and sent them on their merry way to various street corners about our fair city.

Temptations to put down payments on several Cadillacs once overcome, the much-needed cash was spent with reckless abandon to produce this glorious annual.

October also brought the yearbook convention and with it a trip to Pittsburgh for the co-editors and business manager. It will suffice to say that a jolly good time was had by all. Surrounded by the friendly atmosphere of fellow journalists, that rare type of companionship was found that is only typical of such conventions as this.

A pleasant Christmas vacation was spent by the more hardy members of the staff as they went to work with ice picks and blow torches to chip their less fortunate cohorts from their icy catacombs in room 218. With everyone completely thawed out, work was begun in earnest and after much persuasion the office became a beehive of activity.

Amid shouts of angry printers awaiting their deadlines and irate staff members hunting in vain for glue pots and copy paper the book was finally finished in April. It may not be on the best seller list, but we like it and we hope you do too.

CAMPUS COLLEGIAN

Publishing a good university newspaper every week is no easy task and can be considered a challenge. The staff this year has worked diligently in an effort to keep the paper on a high plane and to attempt to perpetuate the name of the University.

At the helm of the Collegian this year was Burt Laderman, a junior.

A great deal of the success of the Collegian can be traced to a pair of hardworking desk men in the persons of Elliot Teitlebaum and Tom Bauman. Mr. Teitlebaum, as managing editor, was only a sophomore but yet displayed the artistry of a real newspaper veteran.

Mr. Bauman, as copy editor, was relatively inexperienced in newspapering at first, but made a supreme effort to absorb the mechanics that are vital on the copy desk. Other staff editors were Pat Blanke, who handled news assignments superbly. Joan Erd, who endeavored to produce the best society section possible, Aggie Bruno, roving campus editor and Jerry Lichtstein, crusading backbone of the sports department.

Jesse R. Long was editorial advisor and Gerald Thompson guided the business end.

Handling the "art" of the Collegian were Don Silka, whose real life cartoons were sparkling each week and reliable Paul Johnson, who was always on the spot with his camera to capture the best in pictures.

WESLEYAN FELLOWSHIP

Bel Canto is the University women's chorus, and has been on campus four years. Each year since its beginning it has grown both in size and recognition. Bel Canto is an Italian name meaning "beautiful singers", and membership in this group is open to all women who enjoy singing. Practices are held twice a week in the University Tower. The group sings three and four part songs in many different categories, including art, religious, folk, and modern themes. Bel Canto strives to present unusual and interesting programs to its audiences.

This year, our list of performances was varied, indicating the desire of different groups for women's choral singing. Bel Canto gave a Christmas program for the Faculty Dames' Christmas Tea in the Student Union; and in collaboration with the University A Cappella Choir presented a Candlelight Carol Service in December in the Doermann Theater. In the spring we gave a program of mixed numbers for the Veterans' Memorial Scholarship Fund, and the most important event of the year was the annual Spring Choral Festival given in May in the Doermann Theater by all choral groups of the University.

The fine songs and the enthusiasm of Bel Canto reflect in its willingness to perform wherever a program of women's choral singing is desired. None of this could be possible without the very splendid leadership of our director, Dr. Lloyd Sunderman. Officers for the year were Carolyn Steinhauer, president; Nancy Huke, secretary-treasurer; and Betty Weber, librarian.

The purpose of the Wesleyan Fellowship is to unite Methodist students on campus in a single group so that they may become better acquainted with each other, plan worship and social activities together, develop high character standards, and mutually pursue a higher education. In keeping with the aim to give students an opportunity to meet together for worship and fellowship, the cabinet of the Wesleyan Fellowship planned a variety of programs this year.

The Club held square dances, variety nights, heard speakers, attended breakfasts during which guest ministers spoke to the group, and also met with other religious groups for programs.

This group is linked with all the Methodist fellowships on other campuses, and is affiliated with the Toledo District Methodist Office.

The officers of the group are: Jim Grau, president; Pat Stickroth, vice-president; Jeanne Wendt, secretary-treasurer; and Shirley Taylor, chaplain. Dr. Homer Dunathan and Mrs. W. C. Taylor are advisers.

ALPHA KAPPA PSI

Alpha Kappa Psi, the first and oldest commerce fraternity, was founded on October 5, 1904, in the School of Commerce, Accounts, and Finance at New York University, New York, N. Y., and was incorporated on May 20, 1905.

Gamma Eta, the local chapter, received its charter on the 13th of January 1951, when the old local Business Administration fraternity Pi Tau became nationally affiliated.

Each chapter is expected to conduct a definite program of professional activity each year.

At present our efforts are centered around preparation for the District National Convention to be held here in Toledo next fall. This is a big responsibility for such a relatively young chapter, but we feel that a successful convention will put our chapter on top.

One of the important features of the fraternity is the official magazine of the fraternity, The Diary of Alpha Kappa Psi, established in 1908, and published every two months during the college year. It features articles on business, economics, and educational subjects, news of chapters and members and other material of interest to members.

One of the highlights of our 1951-52 year was the initiation of President Asa Knowles as a faculty member of our fraternity along with Mr. George Taoka.

Mr. Phillip Hensel is the faculty adviser of Gamma Eta chapter of Alpha Kappa Psi. The officers are: Terry Park, president; Richard Kochman, vice-president; Wayne Cousino, secretary; James Nuell, chaplain; Joseph Simon, warden; Ronald Rehn, minister of rituals.

ALPHA PHI OMEGA (National)

The purpose of the Polymathic Society is to bring together, socially and professionally, a group of students with varied talents and outstanding interests. The name "polymathic" refers to many fields of learning. The organization is beneficial in giving members the opportunity to present the results of their work and study—either academic or non-academic. It also seeks to develop and broaden the knowledge and personality of members by the exchange of ideas through interest in the activities of others.

While most clubs are made up of people with one common interest, the Polymathic Society draws its members from all colleges and departments of the University. The motto, "Je Seme a Tout Vent" indicates an aim toward broader, fuller living.

Monthly meetings of a business and social nature are held in the homes of the members. This year talks and demonstrations were given by members and invited guests. At the November meeting, Joachim Schumacher, a student from Germany, told of his experiences in America, and, in December, Mrs. Stock, unofficial adviser to foreign students, described the nature of her work.

Members and guests participated in social activities which included a square dance, roast, potluck supper, splash party and a Christmas party to which the foreign students were invited. As a special project this year, the Society has prepared a program to be presented in convalescent homes throughout the city. Dr. Wayne Dancer is adviser to the group and officers include Katherine Photos, president; Richard Koehrmann, vice-president; Arlene Birkenkamp, secretary and Joanne Konop, treasurer.

Alpha Phi Omega, national service fraternity, has been represented on the campus of the University of Toledo since May 22, 1948 by the Zeta Lambda chapter.

Service to the student body and faculty includes conducting tours through the University for prospective freshmen in the spring, as well as new freshmen in the fall; trimming up the hill near the stadium; mounting an illuminated bell on the tower and decorating a tree at Christmas time; assisting in physical checkups for entering students; and conducting a survey to evaluate the students' attitudes toward the University.

As service to youth and community, the members of Alpha Phi Omega have taken orphans to a hockey game, conducted Easter parties at various children's homes, painted furniture for community houses, and served as counsellors at Boy Scout and YMCA camps.

When the Office of Civil Defense called for volunteers the fraternity responded as participating citizens to aid in the program.

Officers for the year are Robert Kuhlman, president; Stewart Campbell, vice-president; Frank Sherburne, secretary; and Richard Nowak, treasurer. The advisors include Edward Foster, Donovan Ench, and Randolph Downes.

JOINT SOCIETY OF A.I.E.E. AND I.R.E.

The Joint Student Branch of the American Institute of Electrical Engineers and the Institute of Radio Engineers is the former Electrical Engineering Society. The Electrical Engineering Society was recognized by the Institute of Radio Engineers in 1948 and was recognized by the American Institute of Electrical Engineers in February of 1951. At the request of both national organizations the name of the organization was then changed to the Joint Student Branch of A.I.E.E. and I.R.E. in April of 1951.

The purpose of the Joint Student Branch is the dissemination of knowledge of the theory and practice of all phases of electrical engineering as well as furthering the professional development of the student.

Meetings were held on the second Thursday of each month for conducting the club's business. After each business meeting a speaker, usually a practicing engineer from industry, gave a lecture on some technical subject of interest to the group. At a few of the meetings technical movies were shown to supplement the program. Some of the interesting topics heard during the year were: "The Philosophy of Radar," "Carbon Pile Regulators for Generators" and a lecture on I.B.M. computers. Other highlights of the year were a dinner meeting held at the Storks Nest and a plant trip through the Unitcast Corporation in December of 1951. The program committee consisted of Emanuel Gross, James Clarkson, Roy Robison, William Ansley and the officers of the organization.

Professors Robert Weeber and Tsute Yang are advisors for the organization. The officers for the year were: chairman, Charles McBride; vice-chairman, Wayne Seppeler; corresponding secretaries, Donald Ewing and Eric Fritz; and treasurer, Jack Coyle.

UNIVERSITY THEATRE

The confusion that can result in an English vicarage when an American actor, now in the army, meets his former co-star, who is now the vicar's wife, was the subject of "See How They Run," a centrally-staged farce with which the Theatre opened this season. The leads were acted by Carline Balduf, Ted Grover, and Richard Constantinoff. Several times during its run of nine nights the show played to a "standing-room-only" audience.

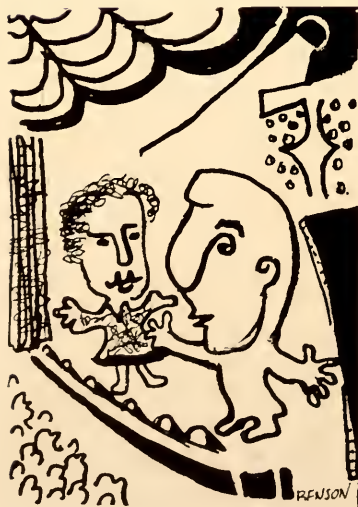

This was followed by a serious Russian drama, "He who Gets Slapped," and the spring production, "After Dark," an English melodrama. These three shows, under the direction of Morlin Bell, demonstrated the versatility of the Theatre and gave variety to the actors, as well as to the audience. The staging of all shows this year was done by Murray Stahl, the Theatre's technical director, who was added to the faculty this fall.

Also presented were two traditional programs of theatre onstage: An Evening of One-Acts, and An Evening of Dramatic Varieties. Both of these shows featured student-directed plays. Single performances of various shows, including these two productions, were sponsored by the Theatre Circle, which has as its object the encouragement of central staging at the University.

The Theatre Film Series, under the chairmanship of Jack Hughes, had its most successful year. Two series of excellent films were presented, Both American and foreign movies were shown.

The Theatre is proud of being accepted last spring as the 58th chapter of National Collegiate Players, honorary dramatic fraternity. The ten who are now members include Meredith Hague-Rogers, president; Gloria Athans, Carline Balduf, Dick Derick, Bill Granger, Bill Harding, Margaret Horner, Betty Houston, Jack Hughes, and Tom Laskey. Several others will be initiated this spring.

The officers of the University Theatre are Carline Balduf, president; Betty Houston, secretary; Meredith Hague-Rogers, Tom Laskey, and Richard Derick, executive board; and Morlin Bell, adviser.

The Ivy Club of Alpha Kappa Alpha sorority is one of the most active clubs in the community. The club is used as a training club for future Alpha Kappa Alpha women. This organization has tried during the school year to remain, according to our tradition, a credit to Alpha Kappa Alpha. The projects this year were as follows: the annual Christmas basket; a candlelight service; a popularity contest; entertainment for high school seniors; entertainment for the big sisters; a turkey raffle; our annual Christmas party; and an Easter egg hunt for the elementary schools.

This club tries to attain a high degree of scholarship. It also contributes to the cultural and social life of the community by presenting its best talent in all activities. Along the scholastic line, Edrene Benson won a twenty-five dollar scholarship for having the highest grades in the Ivy Leaf Club. Jacqueline Anderson also won the same prize. Lona Watkins, Edrene Benson, and Joan Smith sing in the A Cappella Choir at the University.

Our officers are Ann Colbert, President; Barbara Cole, Vice-President; Lavern Hayes, Secretary; and Lona Watkins, Treasurer. Our adviser is Ardella Reed.

The University Young Women's Christian Association is one of the largest and most active groups on campus. All women on campus are eligible for membership in the organization.

The purpose of the Y.W.C.A. is to develop a leadership among its members, to help freshmen women adjust to life on the campus, to develop wholesome friendships and interests, and to cooperate and offer its services to the University and the community. The Y.W.C.A. seeks to stimulate interest and participation in the religious programs presented on campus.

The year's activities began with a Y.M.C.A.-Y.W.C.A. Open House, held during Freshman Week for all those just beginning their years at the University. The program included a talk by President Knowles, an introduction to the freshmen of all "Big Wheels On Campus", dancing and refreshments. This served as an excellent opportunity for the freshmen to become acquainted with each other and the "Y" members. At this party also, the members were given a chance to become acquainted with their little sisters.

In addition to the regular meetings of the group, many social activities were

enjoyed. These included a big-little sister party, a hayride and roast, a Christmas Caroling Party, a party given with the Y.M.C.A. for the foreign students on campus, a splash party at the new Y.W.C.A. and a potluck dinner held after one of our regular business meetings. In May, we held our annual Mothers' Tea at which time officers for next year were installed.

One of the biggest projects of the year for the "Y" is the World Student Service Fund Drive. In addition to helping with classroom collections, and having representatives in the Variety Show, the group sponsored a square dance booth at the WSSF Carnival. A WSSF workshop was held to make preparations for the booth.

The Y.W.C.A. also sent representatives to various regional, state and national conferences such as those at Tar Hollow and Lake Geneva.

Mrs. Floyd Radabaugh, adviser to the group, and an advisory board composed of faculty members and faculty wives, guide the group in both its social and educational activities. Officers are: Phyllis Martin, president; Carolyn Steinhauer, vice-president; Margaret Thyen, secretary; and Mary Bendlin, treasurer.

The Y.M.C.A. is an active organization, taking an interest in the functions of the school as well as the personal well-being of the student. Its purpose is to offer friendship, guidance, and help to the new student who finds it difficult to adjust to the new campus social life. The group strives to advance Christian ideals into the habits of everyday life. Membership is open to all university men.

Even before school opened this year Mrs. Radabaugh entertained both the Y.M.C.A. and Y.W.C.A. officers at her cottage to help them in planning the year's activities.

The first party, scheduled in October, was a roast and hayride with the Y.W.C.A., at Pearson Park. The others that followed—a square dance in November and a musicale in December—were equally enjoyable.

At the first Y.M.C.A. meeting of the year, Marcus Emery arranged a "get-together-smoker" for the new members. The next meeting featured a talk by one of the foreign students on campus about the present conditions in his home country. Subsequent talks on religion and current topics by speakers from the University were also well received and applauded by the members.

This year's World Student Service Fund Drive was assigned to a committee headed by Dick Redd. The proceeds derived from the annual W.S.S.F. Carnival are used to supply books, food, and other necessities to the needy and deserving students throughout the world. Plans are underway to make it the best and most prosperous yet.

April was the annual Tar Hollow Conference, attended by representatives from all area Y.M.C.A. groups. Many men attended, and the University of Toledo was well represented.

Officers for the Y.M.C.A. are: Thomas Held, president; Jim Rush, vice president; Dick Redd, secretary; Ralph Cousino, treasurer; and Mr. A. F. Foster, adviser.

In February the Newman Club started off the spring social calendar with a Valentine's party at Gesu Hall. Other meetings, held twice a month, brought members together for dancing, entertainment and refreshments.

Three Communion Breakfasts at Gesu Catholic Church supplemented the spiritual program which again this year included participation in Religious Brotherhood Week held on the campus early in the spring. A new activity added to the spiritual program this year, was Father Mooney's conferences held twice a week at the University.

The officers of this organization are James Machen, president; John Wenzel, men's vice-president; Elsie Hoen, women's vice-president; Joanne Konop, recording secretary; Mary Jane Delaney, corresponding secretary; Bob Pierce, treasurer; Rose Lenkay, representative to Religious Council; Rev. C. A. Mooney, S.J. and Mr. C. J. Kirschner, advisers.

NEWMAN CLUB

"Through a balanced program of spiritual, cultural, and social affairs", campus Newman Clubbers fulfill their constitutional purpose of "enriching the temporal lives of members." The University Newman Club is a member of both the Ohio Valley Province and the National Federation of Newman Clubs.

Members of the Newman Club got the 1951-52 academic year off to a start with a mixer which has become an annual September affair. In October the members took advantage of the traditional jack-o-lantern theme and held a Halloween barn dance at Gesu Hall.

The Christmas formal dance was the outstanding social function held by the Newman Club this year. Christmas trees, green boughs and mistletoe brought the spirit of the season out in those who attended the dance.

Also in the Christmas spirit was the caroling party held December 16. The members of the Newman Club sang to those who were hospitalized at Saint Vincent's Hospital, and to the children living at Saint Vincent's Orphanage.

YOUNG REPUBLICAN CLUB

The University of Toledo Young Republican Club is an organization that promotes active student participation in politics. Its aim is to make more intelligent voters of its members and other University students and to promote the principles of the Republican Party on the University campus. The group is associated with the Ohio League of Young Republican Clubs, a federation of campus and country Young Republican Clubs throughout Ohio.

Many interesting speakers addressed the club during the year. They included former Mayor Ollie Czelusta, Vice-Mayor Howard C. Cook, Republican candidate for Congress Gilmore Flues, State Representatives Fred Hunt and Mrs. Opal Mundy, and Republican County Chairman Herman Miller.

The high spot of the year was the Young Republican Club Campus Wide Party, sponsored by the club in January. Over four-hundred students turned out for dancing, refreshments and entertainment. Rose Lenkay and John Lindemulder were co-chairmen.

Members of the club are looking forward to an interesting and active presidential election year. Plans are being made to bring top G.O.P. state and national candidates to the campus and to take an active part in the election.

Officers for the year were: president, Ron Sinclair; vice-president, Dick Collins; secretary, Carolyn Steinhauer; treasurer, Milt Thompson; directors, Tex Hughes, Margie Horner, and Sharon Kabel.

Gamma Pi Sigma, professional music sorority, being only one year old on April tenth, is the newest addition to the music department at the University of Toledo. The sorority is composed of music education majors and minors and its members must have an accumulative "B" average in music courses and an accumulative "C" average in all other academic subjects in which they are enrolled.

Ushering for concerts, holding educational and social events, and offering a performance opportunity for its members, are some of the varied means of entertainment and activity for Gamma Pi Sigma's members.

The sorority was led by President, Mary Elizabeth Dick; Vice-President, Nancy Nightingale; Secretary-Treasurer, Frances Miller. Under the most able guidance of their adviser, Dr. Janina Adamczyk, the sorority has had a most successful year and is looking forward to even better years in the future.

GERMAN CLUB

The aim of the German Club is to foster a more active interest in Germany, its language, and its people. It is for this purpose that our program was set up.

The first meeting of the year was held on October fifteenth at the University, and was more or less to acquaint the new members with the German Club and its activities. An interesting illustrated lecture on Germany before and after the war was given by Mr. Frank Sherburne and Mr. Eugene Conger, both of whom are very active in the Club's activities.

The December meeting was perhaps the most enjoyable of all. It had been decided at the last meeting to obtain, if possible, a block of tickets for the Metropolitan Opera presentation of *Die Fledermaus*. The adviser, Professor Schering, got a group of sixteen tickets for the performance on Tuesday night, December eleventh. Since the opera was sung in English, and was a new version, it did not give the German students the opportunity to see and hear the original version; however, in the near future, the Club does plan to play recordings of the opera as originally sung in German, and compare them with the English.

There are tentatively lined up two joint meetings: one with the organization at Bowling Green, and the other with the group at Michigan.

Other plans include roasts and several more German dinners at Schwarz's. Officers are John G. Kramer, president; Edward A. Kemper, vice-president; and Janis Weaver, secretary-treasurer.

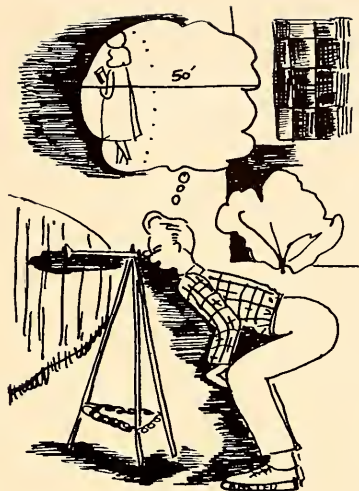

The Ohio Society of Professional Engineers of the University of Toledo campus has completed its fourth successful year since it received its charter in 1949.

The purpose of the organization is to instill a professional spirit in the minds of all engineers; to become better acquainted with fellow students, faculty, and men of industry; and to tie together the different phases of engineering into one group. This goal is being achieved rapidly by a network of student chapters from other universities in Ohio joining together to form a state organization and the state organizations joining to form a national organization. Three delegates from our organization go to Columbus, Ohio, the first Friday of the month, where a student council meeting is held to pass upon subjects which are above the jurisdiction of the local chapter.

The society also introduces and encourages all eligible engineering graduates to take the Professional Engineers' Examination so that the engineering field will be developed and recognized as a profession.

Meetings are held once a month and are open to all students enrolled in the College of Engineering and to alumni. Speakers are chosen to talk on such subjects that will be interesting and enjoyable to all engineers.

The officers are: president, Wayne Seppeler; vice president, Charles McBride; secretary, Elmer Moenter; treasurer, Edward Loo. The adviser is Dean Brandeberry.

POETRY CLUB

El Centro Espanol is the University Spanish Club, composed of students who are interested in Spain and its language. It is advised by Senora Floripe, and pre-sided over by Margaret Thyen.

Our meetings are always entertaining, and seldom is so much Spanish spoken that they would be uninteresting to any members who are not familiar with the language. We have had speakers who have traveled to Mexico and various South American countries. John Apple-gate, one of our members, gave a talk on his summer at the University of Mexico, and showed pictures of some of the many interesting sights which he saw there. His description of Mexican bullfights was especially vivid. We have had discussions on Spanish art and music and, particularly enjoyable to most of the members, records of Spanish folk music. Anyone who has ever heard their gypsy music is certain to be fascinated by its wildness and unusual quality. And every meeting, of course, had to end with refreshments.

At Christmas, Senora Floripe held a party at her home for the club. In addition to the singing of the usual Christmas songs we also sang Spanish songs of Navidad. We attempted to put our knowledge of the Spanish language to use in some games, but unfortunately for some of us this knowledge was too limited to be successful.

The other officers of El Centro Espanol are: George Leighton, Vice-President; Aileen Canfield, Secretary; and Betty Houston, Treasurer.

The Poetry Club was organized in the fall of 1948 by a small group of people interested in forming a club restricted to poetry. The club was recognized as a regular campus organization in 1949. The group's purpose is to read and enjoy poetry of their own, and to further the interest in this particular artistic medium.

This year the club met on Friday evenings once a month in MacKinnon Hall. Members of the faculty were asked to speak at various meetings and student members read. One of the projects of the club was to buy poetry records for the University. Besides the regular meetings there were several affairs such as picnics, roasts and parties.

The officers for this year were: Elvire Bricker, president; Ann Hart, vice-president; Catherine Simonds, Secretary; Ann Hart, treasurer, Miss Sarah Bissell is adviser of the group.

To see and hear what other poets were doing, our members often attended the meetings of the Toledo Federation of the Ohio Poetry Association which presented topics on famous poets and also some of the members' own poetry.

KAPPA DELTA PI

As a national education honorary, Kappa Delta Pi has chapters in all of the major universities and colleges of the United States. The chapter, Zeta Epsilon, at the University of Toledo, was established in 1945. Started in order that students of education showing high promise might enjoy social and professional fellowship, the group incorporates both business and pleasure into its meetings, held once a month.

The chapter at the University of Toledo boasts a large membership from the faculty, and the active status of Kappa Delta Pi is largely due to Dr. Frank Hickerson, chapter adviser.

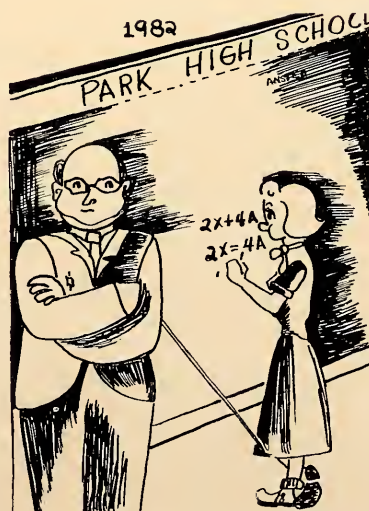

New initiates into Kappa Delta Pi are elected twice yearly. During this school year the first initiation was held in January, after Christmas recess. The second initiation took place in the spring semester.

The meetings consisted mostly of speakers or group panel discussions followed by a social hour. Some of the highlights were a speech given by Superintendent Baumgartner of Sylvania on "Audio-Visual Education" and a joint meeting held with Pi Gamma Mu and F.T.A.

In the spring, an official delegate from Zeta Epsilon chapter was sent to the Kappa Delta Pi convention held in Ann Arbor with the University of Michigan acting as host. The program included talks by national officers and smaller group discussions on current problems of the public schools and school policies, some of which are discussed in *THE EDUCATIONAL FORUM*, official publication of Kappa Delta Pi.

In the spring, Kappa Delta Pi gave its annual award to the graduating senior in the college of education who had the highest accumulative point average. The year was ended with election of officers.

Officers for the past year were: president, Bonnie MacVay; vice-president, Phyllis Martin; secretary, Nancy Prottengeier; treasurer, Esther Anderson; historian, Marilyn Weiker. Adviser is Dr. Frank Hickerson.

PERSHING RIFLES

Company L of the First Regiment won many honors in its first year on campus. From its beginning with seven charter members to its present strength of sixty-five men, the group has shown steady improvement and achievement. Company L strives to instill a military spirit into its members and only top men in the Basic R.O.T.C. are chosen for membership. These men undergo a pledge period of three months during which they receive extra training in drill and leadership.

Pershing Rifles offers to its members a wide choice of activities in the way of drill, rifle competition, and social life. One of the big social events of the year is the annual Pershing Rifles' Dance which is held when the pledge class becomes active. This year the dance was held in January at The Top of the Marks. At that time the Pershing Rifles' Queen, Miss Barbara Mulligan, was crowned. She was accompanied by Miss Peggy Wester and Miss June Foltz. These three women also accompanied the unit to the annual drill meet at Ohio University in May.

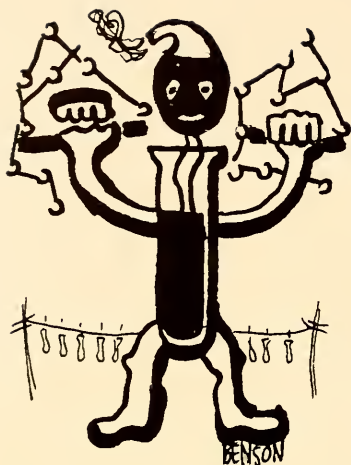

In May, Company L went to Ohio University for the annual regimental drill meet. Here it placed up for competition the Best Company Award that it had won from last fall.

Plans are now under way for a bigger and better year next year with Company L gaining state-wide recognition as one of the best outfits in the field.

Officers of the Pershing Rifles are: Robert G. Eddie, Company Commander; First Lieutenant Marvin Carnes, Executive Officer; First Lieutenant James Glauser, Public Information Officer; Second Lieutenant Milton Calcammaggio, Supply Officer; Second Lieutenant Donald Criss, Finance Officer; Second Lieutenant Donald Belville, Plans and Training Officer. The advisers are: Major Edward Walters and Captain John Fairlamb.

The purpose of the University Chemical Society is to unite the students of chemistry both professionally and socially. In keeping with this purpose, monthly meetings were held with speakers and films from chemistry and related fields. Some of the speakers were Miss Albertine Krohn and Dr. H. G. Oddy of the Chemistry Department, Dr. Simmons of Plaskon and Dr. E. C. Hughes of the Standard Oil Company of Cleveland.

Highlights of the year were the February meeting in conjunction with the Toledo Section of the American Chemical Society and the American Chemical Society Meetings in Miniature which members of the organization attended.

Several field trips were made throughout the year to various industries in the city. A very successful one was made to Interlake Iron Corporation and others were planned for Plaskon and Dupont's sulfuric acid plant.

The University Chemical Society is affiliated with the American Chemical Society. Students who are chemistry majors and chemical engineers are eligible for affiliation. Any student who is taking or has taken his second semester of college chemistry is eligible for membership.

The Chemical Society has a display table set up in the chemistry department of University Hall. The first display set up was on the advantages of affiliation with the American Chemical Society. This was put up in connection with the membership drive. At Christmas, the organization wished everyone a happy holiday with appropriate Christmas decorations. Following this was our best display of the year—a crystallography display with glass models and natural crystals. This display attracted much attention and favorable comment from everyone who passed the table.

Officers for the year were: Dick Engel, president; Dan Collins, vice-president; Nancy Reynolds, secretary; and Mary Laub, treasurer. Much credit is also due our advisers Mr. Arthur H. Black and Dr. Donald K. Brundage.

THE ALUMNI ASSOCIATION

The Alumni Association of the University of Toledo was organized to promote the best interests and general welfare of the University and its alumni. Membership in the organization is available to all persons who have completed twenty four hours of regular academic hours in the University and who are not now in regular attendance.

The alumni paying annual dues become members of the Active Alumni and as such receive weekly issues of the Campus Collegian, the Alumni News, and an invitation to attend the various social activities and functions sponsored by the Association.

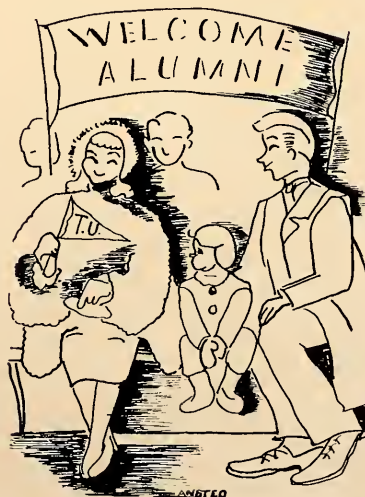

Homecoming is celebrated by the Alumni with an informal get-together on the eve of the Homecoming Game and participation in the annual parade and activities sponsored by Student Council on the day of the game.

A dance is held every year during the Thanksgiving season and is always well attended. Future prospective members of the Alumni are not forgotten for each year a Circus Party is held in the Field House for the children of Alumni.

The highlight of the year is the annual dinner meeting and dance which is held during the month of May. In addition to presenting the new slate of officers at this meeting, and having an outstanding speaker, the Association takes this occasion to present an award to an alumnus who has rendered distinguished service to the University or to the community.

There has been a steady increase in the number of people paying the annual dues and thereby becoming members of the Active Alumni Association. During the current year, there was a total of approximately 1500 members. An every member canvass was held during the month of May with a goal of 4,000 members in the Active Alumni.

Help the University of Toledo continue to grow by becoming members of the Active Alumni organization.

INTERNATIONAL RELATIONS CLUB

The International Relations Club is affiliated with hundreds of college chapters throughout the United States and Canada. These chapters together play a great part in sending American students on European tours. Sponsored by the Carnegie Endowment for World Peace, I.R.C. is also a member of the Ohio Conference of International Relations Clubs.

The purpose of I.R.C. is to help students learn more facts concerning foreign countries and world affairs. This year informal meetings were held in the Student Union Lounge, with a series of talks by foreign students attending the University. Members of I.R.C. hope to get a broader picture of the international situation by listening to all viewpoints and discussing them freely.

Under the capable leadership of President Richard Derrick, the I.R.C. began the first semester by having a very successful membership drive. The International Relations Club started the new year by having election of officers and planning for meetings, parties, and speakers. Pauline County and Shirley Tanber were appointed program chairmen, assisted by Marcus Emery, Betty Houston, and Andy Mennik.

The officers are: president, Margaret Horner; vice president, Dave Steinem; recording secretary, Joanne Lukasiewicz; corresponding secretary, LouAnn Heidtman; treasurer, John Michalski. Dr. Willard Smith is the adviser.

The University Polish Club is an organization composed of University students who are of Polish descent.

The purpose of the club is to work with discretion and co-operation striving to promote the honor, prestige, and common welfare of the University Polish Club.

The aims of the Polish Club are: to create a desire in the students of Polish descent, who are graduating from high school, to attend the University of Toledo; to establish a scholarship fund which is to be used to help finance an eligible high school graduate of Polish descent who has the desire to attend the University of Toledo; or to help finance an eligible University Polish Club member. Another aim of the Polish Club is to build a library consisting of books which will furnish historical, scientific, and cultural enlightenment about Polish for the benefit of the students.

The social events in the Club include its annual Christmas Formal and Easter Dance. Among other activities are a fall roast, a skating party, a scholarship dance and various other social events.

The University Polish Club is supervised under the direction of Dr. J. Adamczyk and is presided over by Walter J. Pakulski. Norm Musialowski is Vice-President; Mary Shubarga is Secretary; and Beverly Wisniewski is Treasurer.

KAPPA KAPPA PSI

First Row:—MacDonald, J.; Easterday, J.; Smith, H.; Freeman, R.; Derrnan, R.; Makowski, R.

Kappa Kappa Psi is a national honorary band fraternity dedicated to the following purposes: to promote the welfare of the college band; to honor outstanding bandmen; to stimulate campus leadership and gentlemanly character; to foster inter-college band relations; and to provide social activities in cooperation with other music organizations.

Men who have participated in the band for at least one semester and who have above average grades and character are eligible for membership.

Beta Rho chapter (formerly known as the "Glass Baton") was installed on January 15, 1950. It is now entering its third year, having enjoyed a successful season filled with many activities.

One of the major activities of the year was the initiation of nine new members: Roger Barnes, Jerry Baum, Robert Bournes, Daniel Cassidy, William Cramer, Louis DeAngelis, John Huffman, Tim Rousos, and Robert Simmons.

One of the outstanding social events of the season was the annual Rocket Band Banquet. At this banquet, awards are presented to members of the marching band who have actively participated in every band performance for two years or more. This year a four year award was presented to John MacDonald, president.

New officers taking office in April were: John Huffman, president; William Cramer, vice president; Louis DeAngelis, secretary; and Lee Jackson, treasurer.

R. O. T. C.

The Reserve Officers Training Corps has been adding to the various phases of its operations in the military vein.

One of the larger projects is a new Armory for our campus. This building would be owned in part by the University and in part by the government. Its location will be right across from the front of the fieldhouse.

The Armory will have seven classrooms to be used in the daytime by the R.O.T.C. on campus, and in the evening by the reserve units in Toledo. The building will have one large ballroom that will be owned entirely by the University. This room can be used for school functions, such as dances.

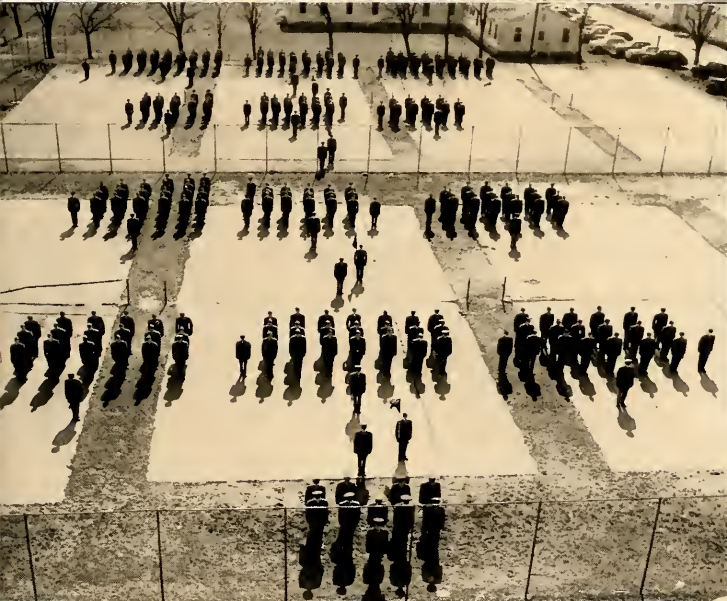

These additional classrooms will be a great help to the R.O.T.C. because the number of cadets has increased from three-hundred nineteen in 1951, to four-hundred eighty nine in 1952. This means that a new necessity has been created for more trained personnel. The number has now been increased to five officers.

The expansion of the two honor fraternities in the Reserve Officers Training Corps has been natural, and due, for the most part, to the increased interest on the part of the cadets.

The Pershing Rifles is the first fraternity which cadets can join. During their first two years, the cadets are chosen for this group on the basis of their military proficiency, academic standing, and amount of extracurricular activities in which they participate.

As a reward for the extra work this group willingly does, they were sent to Ohio University, May 15-16-17 to compete with all the other schools in a drill meet.

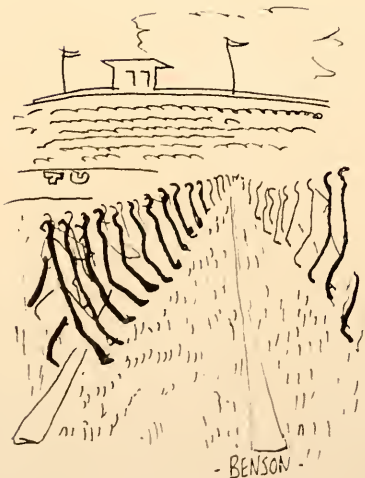

The Scabbard and Blade group can be joined when a cadet reaches his junior year. Cadets who are already in this group choose the men that want to be in the fraternity the next year. They are chosen on the same basis that the Pershing Rifle Cadets are tapped.

UNIVERSITY BAND

This year the University Rocket Band was both a symphonic and a marching band. During the football season the Rocket Band appeared at all of the home games. Regardless of rain or snow, they formed letters and figures for the gridiron fans. The fellows and gals with the horns were there for the bonfire and led the parade at Homecoming time. At the end of the season the members attended the annual Rocket Band banquet where many of them received awards for faithful service: for two years, a pin in the shape of a football field bearing the words "Rocket Band"; for three years, a blue cardigan sweater with the Rocket Band emblem on the pocket; and for four years, a yellow letter "T" for the sweater.

After football season, the band changed its style and became a symphonic band. This band played for the Thanksgiving and other convocations, and also appeared in the special Christmas service. During the spring semester, the symphonic band presented a spring concert and played for such occasions as May Day, High school Day, and graduation.

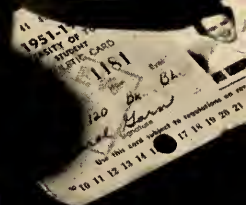

Adviser to the Rocket Band is Harold E. Smith.

ATHLETIC DEPARTMENT

The athletic department of the University of Toledo once again served in its usual capacity in whole-hearted support of Toledo athletics. Leading his staff from his fieldhouse office was the Athletic Director Barney Francis. Despite a lowered budget, Mr. Francis's guidance enabled Toledo to field outstanding teams in each

sport. The feminine touch is applied to the office by Haru Kimura, Barney's likeable secretary. Bob Lacey does an efficient job in handling the sports publicity. As trainer Doc Tillotson has one of the toughest jobs in keeping the athletes taped together. We salute the athletic staff for a job well done.

FOOTBALL

University of Toledo football fortunes fared well under the able tutelage of the head coach Clair Dunn. Taking over the reins before the Ohio U. homecoming game, Dunn managed to run through the rest of the schedule losing only to a strong Xavier squad. Well liked by both fans and players alike, he gained experience as assistant coach at Waite High School for many years. With veteran lettermen returning at almost every position, the amiable coach views with optimism the coming gridiron campaign. Toledo finished the year with an overall record of six wins and four losses.

T. U. 88 — Davis-Elkins 0

The whistle sounded and the 1951 football season was on its way. Thirteen touchdowns, ten extra points and three hours later, the Rockets had broken their record for the most points scored in a single game, by smashing Davis and Elkins, 88-0. The previous record was 87 made against the Findlay Oilers in 1923.

Sparked by Asa Jenkins and Jerry Palmer the Rockets scored the first time they received the ball with Palmer going the final twenty-eight yards.

The Senators from West Virginia were outclassed throughout the game.

Jenkins gained 289 yards in 14 tries and scored 4 touchdowns on runs of 83, 73, 49, and 4 yards and completed one of two passes for 23 yards. After the game Coach Don Greenwood told Jenkins that he had been ordered to report to Mansfield for induction into Military service the following Friday, the day before the Detroit game.

T. U. 32 — Detroit 34

In one of the most thrilling games of many a season the Rockets rally fell short as the Titans of Detroit University took a 34-32 decision in the motor city.

A case of first half jitters hurt the Rockets. After trailing 28-7 at the end of the first half the Rockets came back roaring after the intermission. Early in the third quarter Jerry Palmer went 76 yards through tackle for the Rockets' second touchdown. T. U. again regained the ball on the Titan 41 and scored on six plays to make the score 28-20.

At the start of the fourth period the Blue and Gold held for downs and took over on their own 26. In seven

plays they moved 74 yards for a touchdown with Tarp Taormina going around end for the final 25 yards.

With the score 28-26 and three minutes remaining in the game, the Titans went 6 yards to score and make it 34-26. Moments later the Rockets scored with Bob Carson passing to Fred Gilmore for the final nineteen yards.

With only two minutes remaining T. U. failed to gain possession of the ball and the game ended 34-32.

Asa Jenkins and Palmer gained 180 and 152 yards respectively during the game.

T. U. 6 — Western Michigan 14

It was a dark night for 6,000 T. U. fans in the Glass Bowl as they saw the home team upset by an underdog Western Michigan team 14-6. The game, dominated by defensive play, saw only nine first downs between the two teams.

After eight punt exchanges in the first quarter, the Broncos recovered a T. U. fumble on the Rocket 27 yard line. A five yard penalty sandwiched between four plays gave Western Michigan the first score.

The Rockets got a break when Joe Stalma stole the ball on the visitors 38. Bob Aubry entered the game and threw a 25 yard pass to Clark Cottrill in the end zone. Bob Carson's placement was wide and the Rockets trailed 7-6.

TU's next drive sputtered in the fourth quarter when the Broncos intercepted a Rocket pass in the end zone. A few minutes later the Rockets went to the five but were halted again.

Western Michigan scored its final tally with 30 seconds to go when Len Johnston went over from the 3.

T. U. 26 — John Carroll 12

Before 2,000 wet fans in the Glass Bowl the Rockets rang up a 26-0 halftime lead and then coasted to a 26-12 victory over John Carroll.

TU made it 6-0 when Tarp Taormina fumbled the ball as he went into the end zone and Al Schwartz pounced on the ball for the touchdown.

A few minutes later Rick Kaser returned a punt 47 yards for the Rocket's second touchdown. Bob Carson's placement made it 13-0.

Asa Jenkins went 66 yards and Steve Piskach passed 16 yards for Toledo's final two tallies.

John Carroll scored two times in the final six minutes of the game. Burrell Shields climaxed a 55 yard drive by going over for the score. They again went 36 yards with Ron Kaminski, former Toledo Central player, going over for the score.

The victory gave the Rockets a 2-2 record for the season.

T. U. 7 — Dayton 47

The Flyers of Dayton University took their name literally as they crushed the visiting Rockets 47-7.

The Flyers started fast as they took a 27-0 lead at the end of the first quarter. Two of the touchdowns came on two of the four touchdown passes which quarterback Frank Siggins threw. The other two tallies came on runs of 11 and 62 yards by Joe Young and Dan O'Brien respectively.

Toledo's only score came in the second period as Roger Wadsworth intercepted a pass on the Dayton 25 and returned it to the 11. A few plays later Asa Jenkins scored from the one.

Dayton scored twice more in the third quarter on passes from Siggins to Bobby Recker and Dick Bertrans.

Chuck Guida scored Dayton's final tally in the fourth quarter.

Tarp Taormina, who led the Rockets with 80 yards in 10 tries, was hit hard late in the game and suffered a painful muscle spasm.

T. U. 32 — Marshall 14

The Rockets defeated a stubborn Marshall College squad 32-14 before a crowd of 2,500 in the Glass Bowl.

Marshall opened the scoring when Jenn Vagliendi took a flat pass from John Thomas and went all the way for the score. The extra point was good.

In the second quarter Mel Tripplett climaxed a 59 yard drive by scoring from the two.

Four minutes later A. C. Jenkins went 89 yards to the Marshall one before being hauled down. Tripplett scored on the next play.

With 45 seconds remaining in the half, Tripplett was hit on the six yard line; he fumbled the ball and Jenkins pounced on it for the score to make it 19-7 at halftime.

In the third period Thomas climaxed a 66 yard drive for Marshall with a three yard plunge for the score.

Jack Cole and Jerry Palmer scored the final tallies on runs of 11 and 1 yard respectively.

T. U. 12 — Bowling Green 6

On a rain soaked field at BG the Rockets nipped the Falcons 12-6.

The game was marked by a near riot which saw nearly 100 fans fight it out after the final gun had sounded. The cause seemed to be an illegal block on Mel Tripplett by an unidentified Bowling Green player. Order was restored quickly and very little physical damage was done.

TU scored first when Rick Kaser snared a 26 yard pass from Steve Piskach. Carson's placement was no good.

Just before the half ended Kaser intercepted a pass on the Rocket 4 yard line and went 96 yards for what proved to be the winning touchdown. Carson's placement was again no good.

BG scored its only tally in the third quarter on a 66 yard sustained drive. Fred Durig, who was the offensive spark for the Falcons throughout the game, went over from the one yard line. The attempt for the extra point was blocked.

The Falcons had two scoring opportunities in the fourth period but Herb Eldridge intercepted two passes to stop the threats.

T. U. 13 — Ohio University 6

The Rockets presented their homecoming queen and new coach with a 13-6 upset victory over Ohio U. in the snow drenched Glass Bowl.

Clair Dunn, the new head coach, used primarily Jack Cole, George Paris, Bob Carson, and Steve Piskach in the backfield as injuries kept A.C. Jenkins and Mel Tripplett to limited service.

The Rockets opened the scoring late in the first quarter on a 57 yard sustained drive. Piskach went the final 12 yards on a bottleg play.

Carson scored the Rocket's final tally in the second quarter on a 6 yard plunge through center. His conversion was good.

The Bobcats scored their lone touchdown in the second quarter as Dick Fleitz intercepted a Piskach pass on the Rocket 29 and returned it to the 5. Jack Lawrence scored two plays later.

The third and fourth quarter was a sec-saw battle as both teams fumbled constantly.

T. U. 38 — Bradley 13

The underdog Rockets made it four straight as they romped off Bradley 38-13 before 4,500 people in the Glass Bowl.

Bradley could do nothing offensively until the final period when the Rocket defensive squad was made up primarily of Junior Varsity players.

Early in the first quarter George Paris went around end for 64 yards and a touchdown. Bob Carson's conversion attempt failed and TU led 6-0.

In the second quarter Jocko Gordon recovered a Bradley fumble on the visitors 3 yard line. On the first play Carson went over for the score.

On the first play of the fourth quarter, with the score 26-0, Jim Elmes went 8 yards for Bradley's first T. D. The conversion made the score 26-7.

The Rockets then scored twice in less than 30 seconds. Asa Jenkins scored on a three yard run. On the following kickoff Julius Taormina recovered the free ball on Bradley's 8 yard line. On the next play Jenkins scored Toledo's final tally.

The Braves scored their final T. D. on a 55 yard sustained drive.

T. U. 6 — Xavier 32

The Rockets closed their 1951 season unhappily as they took a 32-6 shellacking at the hands of Xavier of Cincinnati.

A crowd of 8,400 saw the musketeers, led by Bob Finnell and quarterback George Gilmartin, beat an outmanned but valiant Rocket squad.

The Rockets scored their only tally midway in the third period after Jim Purtill and Herb Eldridge combined to intercept a Gilmartin pass. Taking over from the Rocket 41 Steve Piskach passed to Jerry Palmer who took the ball on Xavier's 32 and zig-zagged for the goal. Carson's placement attempt failed.

The loss gave the Rockets a final record of 6 wins and four losses.

BASEBALL

The resounding smack of wood against horsehide once again filled the air at the University after a lapse of one year. This season the nine was under the very capable leadership of Joe Fortunato.

Returning from the team of two years ago were only three veterans, pitchers Jim Schoonmaker and Bill Hill and catcher, Don Heidtman. Using these men as a nucleus, Coach Fortunato had to develop a squad capable of playing the strongest schedule ever faced by a Toledo team.

Thirty-five men, fifteen of whom were freshmen, answered the first call for practice. Among these were many of the top Toledo Federation players.

GOLF

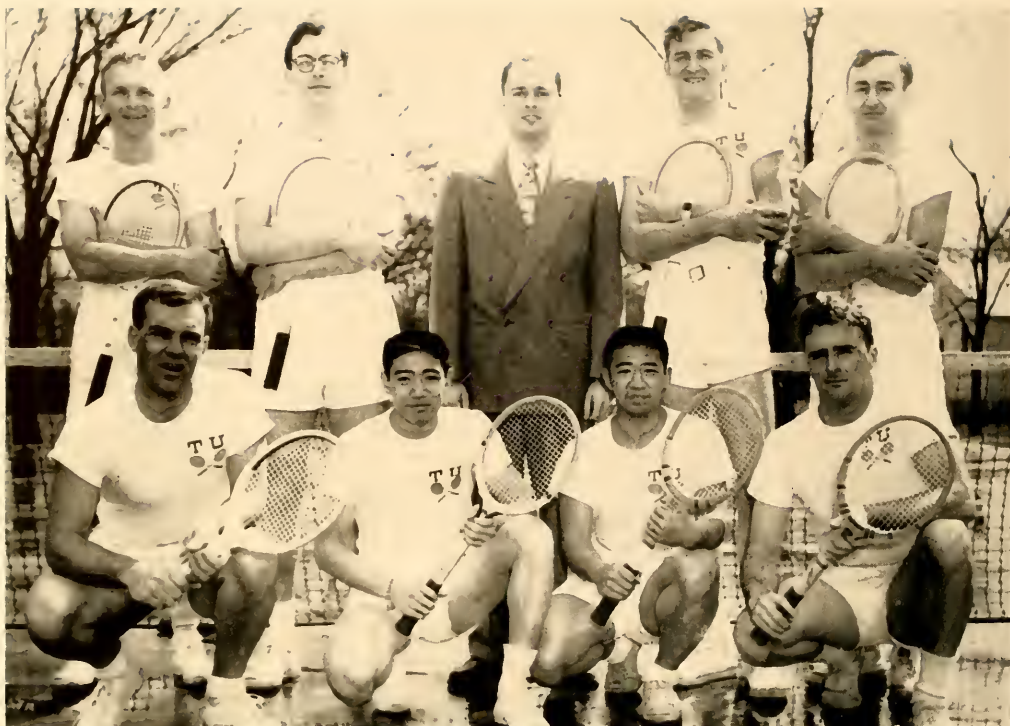

In 1951 the Rocket golf team compiled a respectable record of 7 wins 5 losses and 1 tie. The team, coached by Ed Saxer, professor of civil engineering, consisted of Dick Bargmann, captain; Parks Emmert; William Francis; Dooley Gommersall; Robert Hayes; Thomas Smith, and Charles Spross. The team tied for sixth

place in the Mid-American Conference meet held at Miami University at Oxford, Ohio.

Last year was Saxer's third year of coaching at T.U. With Bargmann, Hayes, Smith, and Spross returning for another season's competition he hopes to improve on the record of last season.

TENNIS

The 1951 edition of the Rocket tennis team had a very successful season, considering the fact that the team lost three veterans by the graduation route. The record of 9 wins, 5 losses was very respectable considering that the team played such formidable opponents as Ohio University, University of Miami, of the Mid-American Conference and Dayton University. The Rockets placed last in the Conference meet.

The Rockets, playing their home matches at the Jermain Park Courts and the Toledo Tennis Club, are looking forward to another season of competition, especially with the strengthening of the team by the transfer of Bob Riedmayer from B. G., and Pat Stranahan from Princeton.

The team's new coach is Vic Braden. At 22, Braden is believed to be the youngest coach of a college tennis team in the country. He was graduated from Kalamazoo College in 1951. While attending college he was Michigan Inter-Collegiate doubles and singles champ.

He was ranked second to Cincinnati's Toney Trabert in the country in the amateur standings. He is now, in addition to being the Rocket tennis coach, a pro at the Toledo Tennis Club.

TRACK

Last year the Rocket track squad, ably coached by Jack Smith, turned in the remarkable record of 5 victories matched against only 1 loss. The lowest and highest scores were both made, oddly enough, in three-way meets.

They reached their highest total, 95, against Heidelberg and Bluffton. Lowest score of the season turned in by the thinclads was 51 against Oberlin and Fenn. The Rockets came in fourth in the Mid American Conference meet.

The team of last year was, as are all teams coached by Smith, a well conditioned and well balanced outfit. All the practice sessions and home meets were run on the track behind the Field House.

Track will be discontinued by the university this spring. Reason for this move is because of the new armory to be constructed on the present track site. There also seems to be little interest among the athletes to go out for the track squad.

Joe Scalzo

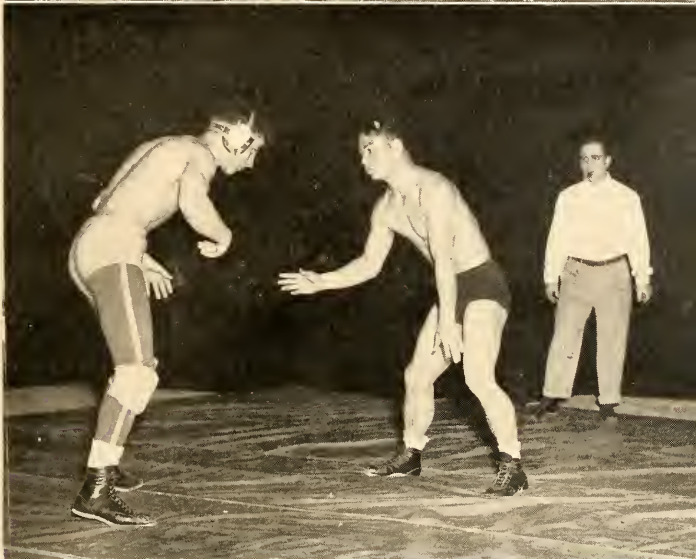

"The best coached team in the country". This term was applied at various times throughout the season to the Rocket grapplers by sportswriters and opposing wrestlers and coaches. This can only be taken as a great tribute to Coach Joe Scalzo and his men for their outstanding success.

Leading the team is captain, Harry Lanzi, A.A.U., Y.M.C.A., 41., and Mid-western Olympic champion in the 191 lb. class. Harry also won the Mid-American heavyweight title. In the Olympic tryouts Toledo was the only team to place more than two men. Paul Boyko and Bill Miller captured championships in their weight divisions while Ed Lanzi and Don Wem were runners-up.

Toledo tied a collegiate record this season by winning two straight shutout matches and almost broke it against Miami. The Rocket pinning per centage of 85% was once again tops in the nation.

JERRY BUSH, Coach

As Toledo's wise-cracking but hard-working basketball coach, Jerry Bush is rapidly establishing himself as one of the country's top collegiate coaches. By shaping his talent laden teams with his vast knowledge of basketball, Jerry annually produces teams that are capable of carrying T.U.'s color to any court in the nation. Gifted with the necessary drive and skill, his teams have proven repeatedly that T.U. is a willing and able opponent for anyone.

BASKETBALLERS BOUNCE BACK

With a team comprised predominately of underclassmen, Coach Jerry Bush continued his winning ways this season. Copping 20 of 31 games the Bushmen gave promise of brilliant teams in the years to come. In its first attempt the Rockets captured the Mid-American Conference tournament in December by beating two tough teams, Miami and Cincinnati.

The Blue and Gold went on from there to win eight games while losing four to snare third place in the basketball-conscious Mid-American Conference. The sharpshooting of Bobby Nichols and Phil Martin coupled with the height of Ralph Carroll and the foul shooting of Johnny Pazdzior provided the winning margin in several close games.

JUNIOR VARSITY

As usual this season, the Toledo J.V.'s made themselves known in the Federation basketball league, campaigning as the Weissenberger Chevies. Strengthened by the addition of pivot man, Frank Ayers, in February, the J.V.'s netted second place in the tough AA federation league and went on to cop the playoffs and retire the Blade trophy by winning it for the third consecutive year. This team should produce abundant material for next year's Rocket quintet.

WOMEN'S PHYSICAL EDUCATION DEPARTMENT

Under the supervision of three capable personalities, the Women's Physical Education Department has had a very successful year.

Acting as Chairman of the Department is the duty of Miss Lamora Mueller. Besides teaching theory classes for physical education majors, Miss Mueller supervises all the practice teachers. She also is the adviser to the Women's Recreational Association, her special sports for the year being riding, volleyball, dance, and the recreational sports. The department is also reintroducing lacrosse for W.R.A. teams.

Miss Florence Bernholdt is well known to the girls who frequent the field house for she coaches and encourages participation in intra-mural sports. This year she has done special work in basketball, swimming, archery and golf. Besides this she is especially interested in the new classes being offered in fencing. This activity will become a regular W.R.A. recreational sport next year.

The third member of the trio is Miss Mary Spooner. She spends part of her time teaching the swimming classes held at the Y.W.C.A. and also handles four W.R.A. sports—softball, hockey, bowling, and tennis (her favorite). As adviser to the Physical Education Majors Club, Miss Spooner helps to keep things running smoothly in that organization.

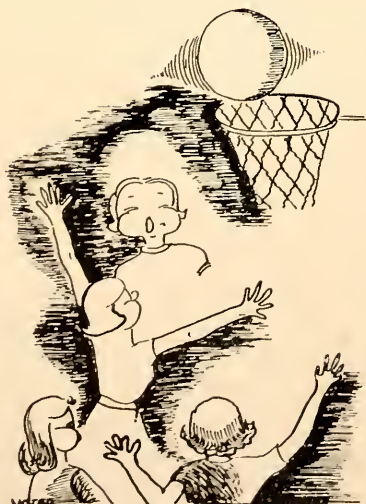

With such competent personnel, the Women's Physical Education Department can look forward to bigger and better years.

WOMEN'S RECREATIONAL ASSOCIATION

The Women's Recreational Association offers opportunity for girls to meet together and enjoy supervised athletics. This association cooperates with the department of physical education in promoting health, physical efficiency, social activities and true sportsmanship among women on campus.

The organization is open to all women on campus and offers a supervised program which meets the interest of all participants. The Women's Recreational Association offers a diversified schedule of sports including basketball, volleyball, hockey and softball as major team sports. These sports are offered during their respective seasons.

For women not interested in team sports, a program of individual and recreational sports is presented throughout the year. This program includes tennis, archery, golf, dance, riding, bowling, swimming, and recreational sports.

During the year, members of various W.R.A. teams have journeyed to Bowling Green and other neighboring colleges to participate in volleyball, basketball and hockey tournaments. In return our W.R.A. has entertained their groups here.

Other aspects of the W.R.A. program include two banquets each year at which awards for participation are given.

This year the organization was headed by Ruth Stuke, who was assisted by Dorothy Fash as vice president. Pat Stickroth acted as secretary and Natalie Woods was reporter.

RECREATIONAL SPORTS

The recreational sports season lasts from the beginning of February until the first of April. The sports included in this part of the W.R.A. program are badminton, shuffleboard and table tennis—the last being the most popular. To receive credit in recreational sports the participant must have four hours of practice in each sport and play in the tournament games. Those who are unable to participate in the major sports find it convenient to earn W.R.A. credit by playing in their spare moments. Marilyn Moen was in charge of recreational sports this season.

TENNIS

The first warm day finds the tennis courts filled with enthusiastic people who enjoy swishing rackets. For W.R.A. credit, teams practice on their own time and participate in a tournament composed of independent and sorority teams. Peggy Bires is head of this sport.

MODERN DANCE

The title of "Miss Grace" was given to all participants who had six practices and cooperated in composing an original dance at the end of the modern dance season. More girls than ever before earned credit in this graceful, rhythmic sport. The various exercises of modern dance were under the direction of Phyllis Martin.

SWIMMING

The annual swimming meet was arranged by Janet Smith, head of this sport. Features of the meet were events in form, speed, and relays or stunts. The meet was held in May with sororities and independents competing for honors. Awards are made on the quality of performance in these events, and also for group participation. Classes are held at the Y.W.C.A. for beginner, intermediate, and advanced swimmers.

BASKETBALL

Basketball seems to be the most popular sport. It follows hockey and is concluded at the end of first semester. Teams participating are sorority, independent and freshman. This year basketball had an added inter-collegiate touch. A picked team invaded Heidelberg College at Tiffin, Ohio, and Bowling Green University. The strenuous sport was even more intense under the stress of competition. The regular intra-mural program is completed with class tournaments. Nancy Prottengeier was head of basketball.

SOFTBALL

The last major sport of the season is softball. Whether it is spring fever or the fun of running the bases, softball attracts a large crowd. The intra-mural program calls for a few practice games followed by a tournament. The sorority and independent teams participating were managed by Louanne Heidtman.

VOLLEYBALL

Volleyball activities were capably handled by Nancy Osgood. The season began with a period of practices followed by intra-mural competition. The game is not extremely strenuous, but it requires complete cooperation of the participating team. The volleyball tournament results indicated keen competition. To conclude the season, the University of Toledo challenged Bowling Green State University.

RIDING

Horseback riding, an individual sport, attracts many girls in the fall of the year. All arrangements for riding were taken care of by Sally Scheppert. To earn W.R.A. credit in this sport, six hours of riding are necessary. The season is concluded with an early morning ride and breakfast at Thanksgiving time.

HOCKEY

The women's sports season is opened in the fall by field hockey. The outdoor sport continues through until about Thanksgiving, at which time the two teams play the Army-Navy game. For the past two years, the hockey team has traveled to Bowling Green for an exciting competitive game. The hockey season is concluded with the annual spread, when new members are initiated into W.R.A. and awards are presented. Nancy Ray headed the sport this year, scheduling several games with nearby schools.

BOWLING

Bowling is an individual sport which started this December first and ended March first. Ann Meek arranged a tournament game for all girls who bowled twenty games during this time. An award goes to the girl with the highest average.

ARCHERY

Girls with bow and arrows can be seen every Friday afternoon during the hockey season. Archery is less strenuous than most sports in the intra-mural program but calls for accuracy and skill. Several practices are required to play in the tournament which culminates the archery season. This year, more girls than ever before earned W.R.A. credit in archery. Patt Walker was in charge of all archery activities.

GOLF

Doris Holliger, herself a champion, is head of golf. One day a week is set aside to teach proper techniques, efficient strokes, etc. Six hours of playing is required for W.R.A. credit in golf.

After Graduation . . . ? ? ?

Suppose you are postponing further academic learning and are going to work. Have you chosen your field of endeavor? Are you considering the places where you will look for work? Have you considered L·O·F? What do those letters mean?

L stands for Libbey in the corporate name Libbey·Owens·Ford. But “L” in L·O·F also stands for Loyalty. The company recognizes this by annually paying honor to scores of people with more than 25 years of company service.

O stands for Owens. But “O” in L·O·F also stands for Opportunity. There are many versions of opportunity in L·O·F. A former mailboy is a traffic executive, another is high on the ladder in the purchasing department. A former accountant has become an officer of the company.

F stands for Ford. In L·O·F, this letter also can stand for “Friends” because you have many friends when you work in L·O·F. It can also identify two of the company’s products—flat glass and Fiber-Glass.

Charter Bus Service

● It is surprising how well our charter bus service fits into group trips of all kinds—large or small; local or out of town.

This service offers real advantages, too. Your party is always together . . . No straggling or getting "lost" . . . You arrive at your destination promptly, in one group, and you return the same way . . . If the number is small one of our smaller buses is just the thing . . . Larger groups simply require a larger bus or more buses.

And when you consider greater convenience, pooling of expense, freedom from the work of driving and worrying about traffic, charter bus service is exceptionally economical.

Whenever your group plans a trip, think of Community Traction Charter Bus service . . . We'll gladly give you any information you desire by telephone or letter. Just call on us.

**We are proud
to bear his name**

● Only a holder of the original Edison license may use the name "Edison" as part of its corporate title. It is the mark of a pioneer. Toledo Edison, a business-managed, tax-paying electric company, is proud to be so honored... and we renew our pledge to serve our customers to the very best of our ability.
